## THE COLLEGE

### Our Vision

Academic excellence, skill enhancement and value enrichment to help the girl student embark on life's journey as an empowered woman.

### Our Mission

By adopting a need based approach, synthesis of academics and ethics, innovation in learning methods, and a diversified curriculum, the college aims at providing a learning environment that integrates body, mind and spirit.

### Objectives

- To promote an integral and holistic growth of young minds.
- To strengthen faith formation and reinforce ethical values with simplicity, honesty, hard work and commitment.
- To blend sacred and secular education.
- To impart spiritual and academic training to foster sound character.
- To achieve academic excellence by making the teaching-learning process more meaningful.
- To develop critical thinking skills.
- To instill in students a lifelong sense of participation and involvement in developmental endeavours.
- To help students emerge as competent individuals capable of handling their careers and homes effectively.
- To empower students with social skills to bring about personality development.
- To train students for employment and entrepreneurship

### Profile of the College

St. Ann's College for Women was established in 1983 with 2 undergraduate courses and 106 students. Today it has emerged as an institution of excellence, enshrining its ideal "Light of Life". The enduring appeal of the college is its ability to cut through social, financial, cultural and linguistic diversity. Being a missionary college, its effort is to foster a rich campus culture, reinforcing the need for an ethical component, integrity and social concern; which in addition to academic excellence and skill enhancement constitutes the whole educational experience. Committed as it is to the ideals of higher education with its vision of academic excellence, skill enhancement and value enrichment, quality consciousness has permeated every aspect of the institution's ethos.

The vision empowerment of Women through the education is being manifested with moving one step at a time and punctuated by leaps. The college was accredited with an 'A+' grade by NAAC (3<sup>rd</sup> cycle) with a CGPA of 3.31. The other milestones are that the college enjoyed two cycles of 'College with Potential Excellence' status by UGC. It has an active Institution's Innovation Council (IIC) by MHRD, Govt. of India, which fosters Entrepreneurship among student fraternity. The college was conferred the status of Autonomy by the UGC from the academic year 2015-16 onwards.

The college continues to grow in quality, impact and reach. In the wake of the information explosion, the changing times require that we continually expand and evaluate our academic aspirations. The institution continues to maintain its dedication to excellent teaching while promoting research activities and reaching out to the community. The college strives to maintain an environment which encourages all employees to upgrade their personal and professional goals and aspirations as we work towards achieving the mission of the college. The college provides a work environment in which everyone, staff and students alike accept responsibility to contribute to the success of the institution and are empowered to do so.

At present, the college has a strength of over 3500 students and 129 well qualified staff members, belonging to as many as 30 different departments. The faculty at St. Ann's is the most valuable resource that brings along an incomparable set of skills and knowledge.

The faculty boasts of varied backgrounds in terms of specialization and experience. The academic, social and spiritual elements of St. Ann's college come together, to offer the students a world of opportunity.

### **Our Motto : The Light of Life**

Wisdom through knowledge is the essence of education. The light that can be spread through the medium of learning dispels the darkness of ignorance and doubt. Tagore expresses this in his inimitable poetry "Let all that is dark within me burst into flame and the veil of error be torn away" The Bible says, "Let there be light". God commands Light to appear in order to dispel darkness. The Upanishad says, "from darkness lead us to light" all these profound sayings emphasise the need for light in our lives.

The candle, a symbol of light, with its gentle glow, spreading lustre and warmth all-around, symbolizes our institution which imparts **knowledge, awareness** and **consciousness**. Our Institution prepares the students to be useful to society, to enrich their lives and spread warmth all around.

The three hearts, one merging with the other symbolize the **material, intellectual** and **spiritual** aspects of life. They represent the values we impart to our students : education for livelihood, for learning and for ethical and moral enrichment.

### **Prayer**

O God! You are the truth and origin of all knowledge Bless our studies, which we consecrate to thee. Enlighten our minds.

Strengthen our memories.

Direct our will towards what is right. Grant us grace to seek the truth always. And make us truly wise. Amen.

### **Lord's Prayer**

Our Father in Heaven, Holy be your name, Your kingdom come, Your will be done on Earth as it is in Heaven. Give us to day our daily bread, forgive us our sins as we forgive those who sin against us. Do not lead us to the test, but deliver us from all evil. Amen.

### **College Song**

In heavenly armour we enter the Land The Light of Life belongs to the

Lord

No weapon that's fashioned against us can stand The Light of Life belongs to the

Lord.

### **CHORUS :**

And we sing Glory, Honour, Power and strength to the Lord(2)

Though powers of darkness come in like a flood The Light of Life belongs to the

Lord

We are the torch bearers of the future The Light of Life belongs to the

Lord.

And we sin g Glory, Honour, Power and strength to the Lord(2)

The Light of Life of the Lord (2)

The Light of Life (3)

## **THE STUDENT**

Education at St. Ann's is inspiring and inclusive where freedom and responsibility go hand in hand. Every student of St. Ann's is treated as an individual and given full opportunity for growth. The natural talent of the students is tapped and nurtured, thus helping them reach their full potential. Students of St. Ann's are the representatives of the college; they are expected to uphold the standards of the college both within and outside. Conformity of the students to the rules and regulations of the college is essential for the benefit of both.

### **General Conduct**

1. The College lays stress on attendance, It is compulsory for the students to have a minimum of 75% in each subject to be eligible to appear for the final examinations.
2. Students should be punctual and attend all their lectures regularly.
3. Students are required to maintain discipline which is essential for the development of the individual and College.
4. All the students are expected to conduct themselves in a manner befitting the college community and due respect should be given to all the faculty members.
5. Students are required to come decently dressed to the college, Dignity and decorum should be maintained at all times.
6. Students should not bring valuables to the college. It is their responsibility to take care of their belongings. The college is not responsible for any loss of valuables.
7. Every kind of demonstration that restricts freedom of the members of the college, or disrupts any activity in the college is banned.
8. Students are required to carry their identity cards all the time, the same should be produced when required by college authorities.
9. Students guilty of serious misconduct or whose presence in the college is detrimental to the order and discipline on the campus are liable to be expelled
10. Ragging is a punishable offence and is strictly banned in the college. The college has 'zero' tolerance to ragging.
11. Students must park their vehicles in the designated places.

### Discipline

The smooth functioning of the College depends upon observance of discipline by the students. The College can help the students better when Rules of Discipline are observed properly. The concept of discipline is closely related to college effectiveness mainly through appropriate values, ethos, and aspirations. Violation of these rules deprives the students of the advantages of different facilities provided by the College. Following are some of the important rules of discipline:

1. Students must attend lectures, practicals, etc. as per the Time Table. They must not abstain from classes, practicals examinations etc. without written permission of the Principal.
2. **The Identity Card** is meant for identifying bonafide students and is used for permitting the student to participate in various activities and programs of the College. **Every student must wear the Identity Card as long as in the College campus.** It must be produced by the student whenever demanded by a member of the teaching or non-teaching staff of the college.

### Attendance

- 75% attendance in each subject is compulsory to write the end semester examinations and to avail scholarships. 10% condoning of attendance is permissible on medical grounds.
- A student representing the Institution, University, State or Nation in Sports, NCC, NSS or Cultural or any other officially sponsored activities, is eligible to claim the attendance for that period as recommended by the Head of the Department and Principal of the College.

The list of students having shortage of attendance as per the mentioned norms is displayed on the respective departmental notice boards every month. The same is also communicated to parents.

- Students applying for leave should fill up the leave Proforma get it signed by the parent and class incharge and submit it to the Dean, Student Affairs.
- When absence is caused by unforeseen events, application for leave must be submitted to the Dean, Student Affairs, within 3 days of returning to the college.

## **CENTRES of EXCELLENCE**

**SACReD- St. Ann's Centre for Research and Development** is an initiative towards promoting research culture among staff and students in the campus. It has ultramodern equipment, instruments, computational facilities, inoculation chamber, licensed software for data analysis (SPSS), work stations and a research library. It aims to promote interdisciplinary research through collaborations and joint work with other institutions.

**SAInT- St. Ann's Information & Communication Technology Centre (ICT CENTRE)** A fully equipped air -conditioned ICT centre has been established with an objective to maintain the digital class rooms and enable the campus with internet connectivity. This centre caters to all the IT related activities of the institution. Some of the services offered by this centre are : facilitating Internet connectivity in the campus, Creation of web album, SMS facility, Google class room, on-line teaching, Google Quiz, Encourage & motivate the students to enroll in NPTEL on-line courses. The centre has a Digital Recording Studio - **Drushya**, a facility for e-casting and the Utility Hub provides a platform for students to earn while they learn.

**Dhruti- Centre for Women's Studies (CWS)** is a wider conception of women's studies in the field of action-research, whereby grassroots women's organizations and institutions have been partners in the production of knowledge about women's lives and struggles. In so doing, the Centre has demonstrated its commitment to change and transformation through intervening in and initiating developmental processes and activities, especially among rural women, otherwise the most remote from institutions of higher education.

**Sanskriti- A centre for Culture**, started with the vision to protect, preserve and propagate India's culture and help the students to relate to the culture & Heritage of our country and connect with their roots.

**SAKSHAM-St. Ann's Knowledge Skills and Hands on Movement** offers coaching and enable the students to get employable in various government and private services and helps them opt for better courses in higher education.

### **SAHHARA - St. Ann's Helping Hands And Reaching Arms**

The vision of SAHAARA - outreach programme is based on the fact that the education of students needs to be fortified by sensitizing them about the real state of affairs of the community. Interaction between the learners and community is encouraged in this programme. This interface with the community cuts across age, Socio - Economic, cultural and educational spectra with sole the aim of reaching out to them. SAHAARA involves various departments of college and student volunteers. The focus areas of extension work are empowerment of women, environmental awareness and protection, education and health care. This flexible and innovative programme helps students in developing their personality through networking, team building and communication.

### **IIC (Institutional Innovation Council) under MoE,GoI**

IIC was established under the guidance of AICTE/MoE with elected office bearers and regular activities are conducted as per the calendar of events suggested by MoE. New units like SAIPRC – Intellectual Property Rights Cell, SAIC- Incubation centre, SAISC - Innovation and Start Up Cell and SEED - revamped ED cell was established and guidelines for Innovation, Start Ups and Entrepreneurship Policy was finalized with industry mentors.

## **SEED-St. Ann's Enterprise Entrepreneurship Development Cell**

### **Vision**

To boost entrepreneurship skills amid the young minds and create a platform with best entrepreneurship opportunities.

### **Mission**

To educate, inspire and nurture women entrepreneurs to create a better future for themselves, their family and community.

### **Objectives**

- ✧ To inculcate “Entrepreneurial Culture” among the students and equip them with the skills, techniques and confidence to act as torch-bearers of “Enterprise” for the new generation.
- ✧ To foster the entrepreneurship qualities.
- ✧ To nurture the latent entrepreneurial talent.
- ✧ To inculcate trustworthiness, integrity, hard work, discipline, honesty etc. as constituents of entrepreneurship

## **SAIPRC – St. Ann's Intellectual Property Rights Cell**

SAIPRC has been set up with the following objectives:

- Encourage, provide a common platform to guide, expedite, aid and make the faculty and students, aware about protecting their scientific inventions, discoveries, pursuits and designs.
- Speeding up the process of filing the patent applications and spread the awareness regarding IPR.
- Facilitate the filing process and financial aid for any faculty, student, who believes to be in possession of an IP.
- Guide and support the other colleges' faculty, students, and researchers, approaching SAIPRC in IPR filing through the SAIPRC legal advisor and committee members.

## **SAIC – St. Ann's Incubation Centre**

With the idea of developing a vibrant entrepreneurial ecosystem the college envisaged the establishment of **St. Ann's Incubation Centre, SAIC**, under the institutional Innovation Council. Since its nascent beginning, the cell has been actively organizing relevant events to nurture entrepreneurial thinking skills in young minds. The Incubation center works in harnessing passions, skills, experience, knowledge and insights, resources and networks to spot and transform the new age skill sets to setup viable business ventures.

## **SAISC - St. Ann's Innovation and Start Up Cell**

### **Vision**

To bring the girl students into the 21<sup>st</sup> century through innovation and start ups

### **Mission**

To optimize promotions of innovation and entrepreneurship.

## COURSE STRUCTURE-PG

## EXAMINATION SYSTEM

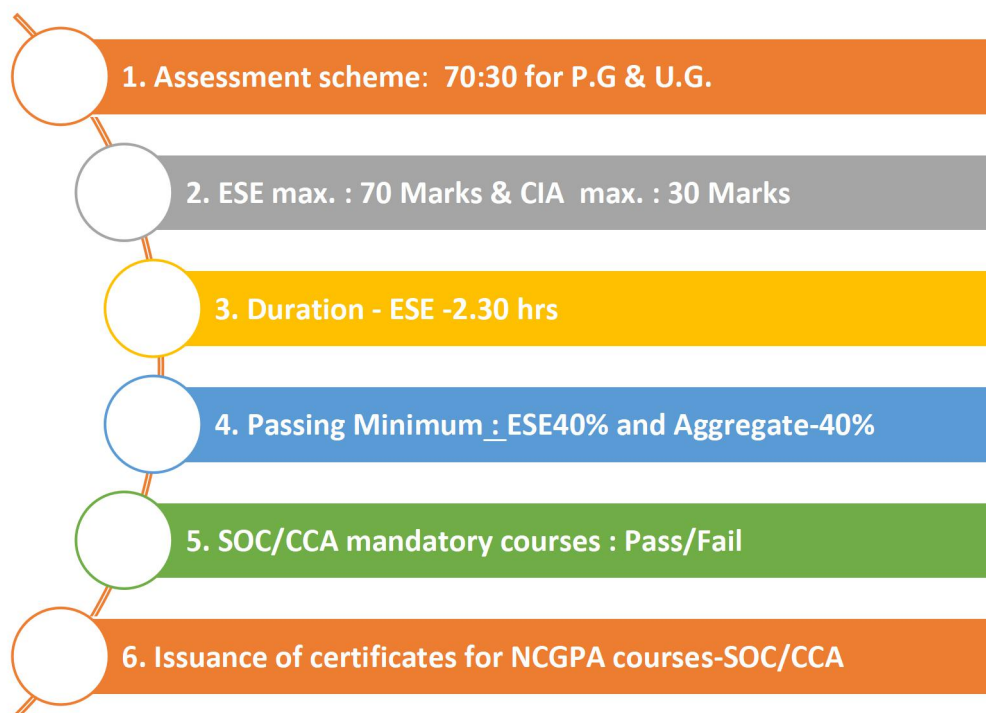

St. Ann's follows Credit Based Semester System (CBSS) & Choice Based Credit System (CBCS) integrating continuous internal assessment along with end semester evaluation.

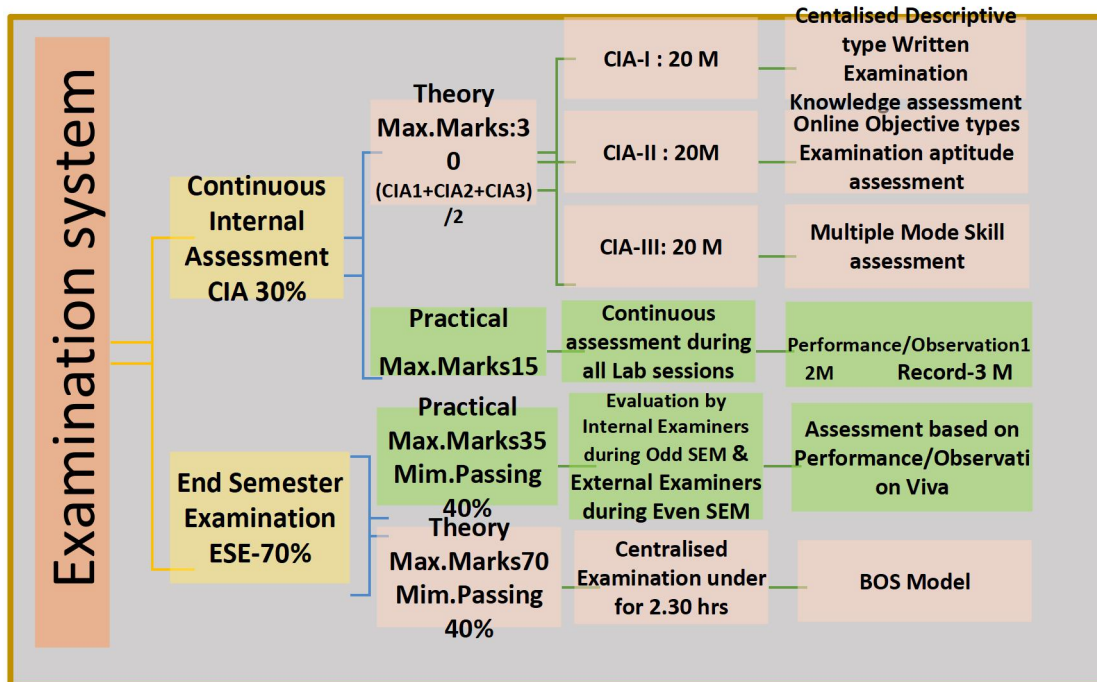

Under CBCS, an academic year consists of two semesters(odd and even) and performance of students are declared in terms of grades and Grade point average. The institution assesses every student's performance by both Continuous Internal Assessment - CIA and End Semester Examination-ESE.

- The ratio of CIA and ESE is 30:70 for U.G. and P.G.
- A student has to earn the minimum prescribed credits for the award of degree.
- A 10-point absolute grade system is adopted for calculation of Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA).

Presently, based on feedback/suggestions from parent university/BOS members exam cell had deliberated the following policy revisions to be implemented from the academic year 2021-22 from R21 batch onwards

### Continuous Internal Assessments CIA

- Two written internal tests of twenty marks each for a duration of 1 hr. and the third test for 20 marks by way of Seminars / Quiz / Assignment etc are conducted. The total marks obtained in the three tests out of 60 is then scaled down to 30.
- A student can appeal to the course teacher or approach the head of the Department for any clarification, regarding evaluation, immediately after receiving the valued scripts.
- A student absent for any internal exams will lose the marks in the test.
- No retest or improvement is conducted for internal assessment, seminars and Project Work.
- Retest will be conducted only if a student is absent due to authorized participation in college programmes like sports, competition, NCC/NSS activities etc.

### End Semester Examination ESE

- 75% of attendance is compulsory for all the students to appear the end semester Examinations.
- Condonation up to 10% may be considered by the Principal on medical grounds / on a case to case basis.
- Passing minimum is 40% in ESE and 40% in aggregate (marks in the end semester and internal examination put together) for both theory and practicals.
- A student who has not cleared a paper in ESE can appear for the paper in the next even semester. All backlog exams are conducted in the even semesters.
- For Practical, 50% of evaluation is done by internal examiner and 50% by an external examiner chosen for each paper from the approved panel of examiners.

## **General rules**

### **Examination Fees**

Students are required to pay the prescribed end semester examination fees in the Examination office after submitting the examination form duly filled.

### **Examiners**

The External Examiners will be appointed by the Controller of Examinations from panel of Examiners recommended by the Board of Studies of each department. The functions of the External Examiners are to set the question papers, prepare the scheme of valuation, value the answer scripts and prepare the marks lists.

**Double valuation** is adopted for P.G. The answer scripts will be valued by two examiners, out of which at least one will be external from the panel of examiners approved by the Board of Studies. The marks awarded to that answer script shall be the average of these two evaluations. If the difference in marks between the two evaluations is 20% or more of the marks, such scripts shall be assessed by a **third examiner** (internal). Average of the two higher evaluations out of the three will be taken.

**Recounting** Provision for recounting is given for P.G. Students. A student can apply within the prescribed time limit for recounting of marks.

### **Revaluation**

A student can appeal for recounting of marks, or revaluation of the paper within ten full days after the announcement of results, on payment of prescribed fee. In the case of revaluation, the better of the two scores will be considered.

### **Improvement Examinations**

Improvement exam for a paper is permitted once, on the next even semester, provided the candidate has cleared all the courses.

Such improved grade will not be counted for the award of prizes / medals / rank.

### **Backlog Examinations**

Backlog examinations are conducted only during even semesters.

### **Malpractice**

- ✧ In case of malpractice in the internal examination, CIA for that particular paper will be scrapped.
- ✧ In the ESE if any student indulges in malpractice or is caught in possession of any written material or electronic gadgets, the examinations for all papers printed in the hall ticket will be cancelled, as per norms laid down by Osmania University.

### **Declaration of Results**

End Semester Examination results will be published after approval from the Result committee members, comprising Controller of examinations OU, Additional controllers of respective faculty along with the internal result committee members (within 40 days from the last examination)

- ✧ If a student passes in all the papers of a semester, the result is declared as PASS.
- ✧ If a student is absent for End Semester Examination, the course result is declared as ABSENT. However, her CIA marks will be carried forward.
- ✧ Semester memorandum of marks will have only grades secured by the students in every subject.

### **Promotion Policy**

- ✧ If a student has the **required attendance and registered for semester examination** in the odd semester, she will be promoted to the next semester. There is no detention in the odd semester.

✧ However, in the even semester she has to clear at least **50% of the total number of papers (theory and practicals taken together) of courses** in all the previous semesters, to be promoted to the next semester. Else, she is detained.

\* Registration means submitting examination form within the prescribed time, payment of fees for the papers appearing an obtaining Hall Ticket for the said examination.

### **Course Completion**

The prescribed of number of credits to be acquired for the award of Degree

A student is permitted to complete her course within n+2 years duration where 'n' is the actual course duration.

During this period, even if the syllabus is revised, the candidate reappearing shall be allowed to write according to the old syllabus.

### **Extra credits for Outstanding Achievements**

A student who excels in sports/academics/research/any other field is eligible to earn one extra credit. The qualifying criteria for this will be decided by a committee of senior faculty.

### **Award of Grades, SGPA, CGPA**

The award of Grades, Grade letter, Grade Points, have been revised as per the the CBCS guidelines in the UGC frame work. The marks secured by the student in the internal tests and semester- end examinations are converted into grades and SGPA and CGPA are computed based on the grades and the number of credits for the various courses.

### **Details of CBCS**

**Credit** is the unit by which the course work is measured. One credit is one hour of teaching work or two hours of practical work per week.

**Grade Point** is weightage allotted to each grade letter depending on the marks awarded in a course/paper.

### **Semester Grade Point Average (SGPA)**

**SGPA** indicates the performance of a student in a given Semester. SGPA is based on the total **credit points** earned by the student in all the courses and the total number of credits assigned to the courses/papers in that Semester.

### **Calculation of SGPA**

SGPA = where Credit Point = (Credit X Grade Point) of the course.

**Note: SGPA is computed only if the candidate passes in all the courses (gets a minimum 'D' grade)**

### **Cumulative Grade Point Average (CGPA)**

CGPA refers to the Cumulative Grade Points Average weighted across all the semesters . CGPA is obtained by dividing the total number of credit points (CPTs) in all the semesters by the total number of credits in all the Semesters. The final result at the end of all the semesters is declared in the form of CGPA.

**Note: CGPA is calculated only when the candidate passes in all the papers of all the semesters.**

### **Cumulative Grade Point Average (CGPA)**

CGPA refers to the Cumulative Grade Points Average weighted across all the semesters &

is obtained by dividing the total number of credit points (Cpts) in all the semesters by the total number of credits in all the Semesters.

The following new grade structure will be implemented from the batch of students of I year UG/PG programs who are admitted during the year 2021-22

## Skill Enhancement Courses (SEC)

SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills among students. Courses are designed to provide value-based and/or skill-based knowledge. The main purpose of these courses is to provide students life-skills in hands-on mode so as to increase their employability. Expertise gained in a concerned skill will provide students with more openings in service, industry and self-employment sectors.

### Objectives:

- **Enrich students with more skills along with basic degree course** which would enable them to be more **competent , confident & communicative**
- Focus on **“concept of career making”**
- Initiate **goal setting and convergent action planning.**
- Improve interpersonal **effectiveness** in all spheres of life & make a student **job ready.**

Skill Career oriented courses are offered to second years in both the semesters (Semester III and semester IV).4 courses are offered over two semesters.2 are UGC specified and 2 courses offered are department specified courses. Each semester comprises one UGC specified and one department specified course.

Around 46 department specified courses are available for students. A student gets two credits for each course and a total of eight credits after completion of all the four courses.

Courses run in collaboration with various industries and organizations. Expertise of resource persons and guidance of in-house faculty will enrich students learning experience.
