ISO 9001 : 2015 ISO 14001 : 2015

Santoshnagar colony, Mehdiapatnam, Hyderabad - 500 028.

Overall Action Taken Report 2021-22

Feedback is being taken from all major stake holders i.e. Students, Parents, Employers, Faculty, Alumni and peers and analyzed thoroughly on a regular basis. Suggestions stemming from these reports regarding new initiatives and improvements/changes to existing content and structure are discussed at departmental and institutional levels and implemented accordingly. The following revisions / enhancements have been proposed following the feedback captured in academic year 2021-22

- Skill enhancement courses will be introduced in next academic year with increased focus on employability. Increase in course content, periods allotted and credit structure also to be taken up.
- Changes to examination structure proposed to improve students' depth of knowledge and prepare them for PG entrances / Competitive exams. (Final examination duration will be increased.)
- To provide further choice to students under CBCS, students will be offered options to pursue multiple Skill enhancement courses in different semesters.
- Mini projects have been made compulsory for students of B Sc Data Science to inculcate programming skills and prepare them for carrying out major projects in their final year.
- Objective based internal examinations are being proposed to ensure that students are well prepared for entrance exams.
- Feedback from employers and alumni is being considered for curriculum design and content creation of new programs like B Com Business Analytics, B Sc Data Science and BA Journalism.
- Almanacs are being shared with faculty and students and periodic meetings with Principal and Deans were conducted to ensure that timelines were being followed strictly
- Students are being encouraged to take up MOOC courses to provide exposure to multidisciplinary topics

A copy of the Same is submitted to Governing Council
