has completed the following course:

Transforming Digital Learning: Learning Design Meets Service Design
Deakin University

This online course examined what digital learning is, who needs it, who creates it and why. The course explored 'teaching as a design science' by examining the educational design theories and practices that are transforming the future of digital learning. It also included a range of practical strategies you can apply within the context of your own professional practice and provided an opportunity to contribute your knowledge to this exciting and emerging field of education.
