An educational trip was organized by Department of Computer Science, ST ANN'S COLLEGE FOR WOMEN, Mehdiapatnam **OBJECTIVE**

**The objective of the field trip :** The intent behind organizing the field trip was:

- The main goal of the field trip was to learn about career opportunities
- To get exposure to incubators and learn more about entrepreneurs.
- To motivate the students with stories of famous founders.
- To inspire the students to help people around them with their ideas.

It was an interactive session between students and the host. The host conveyed to us how the ideology of the entrepreneurs was decided by society based on the problem statement.

**Brief Report:** The Department of Mathematics organized the National Level Lecture Series-Igniting Young Minds towards Mathematical Research. Lectures were given by eminent IIT Professors on how math concepts (i.e. Linear algebra, applications of differential equations, linear regression, optimisation theory etc) are applied in various fields of today's technology and also explained the path to proceed to research in various fields.

## Snapshots:

The poster is for the National Level Lecture Series organized by the Department of Mathematics at St. Ann's College for Women. It features seven speakers with their names, titles, departments, and lecture topics. The registration link is <https://forms.gle/pBqayZtYUX27vNdV7>. The platform is Zoom and the timing is 4:30pm - 6:30pm. At the bottom, there is a list of the organizing committee members including the Chief Patron, Advisory Committee, and Organizing Committee.

**Outcome:** It was fruitful as speakers delivered their topic most efficiently and encouraged students to proceed higher studies and also in research.
