St. Ann's College employs a comprehensive approach to instill human values, professional ethics, and a robust code of conduct among students and staff.

Through structured courses like "Human Values and Professional Ethics," the college imparts theoretical knowledge while ensuring real-world relevance. Activities such as debates, orations, and awareness campaigns engage students, fostering critical thinking and ethical analysis.

Open assemblies led by the principal and general staff meetings are platforms to communicate and reinforce the importance of the code of conduct. These gatherings not only elucidate the standards expected from each individual but also create a shared sense of responsibility.

Beyond classroom learning, practical experiences like participating volunteering and awareness initiatives equip students with the tools to navigate complex ethical dilemmas.

Collaborations with external organizations provide diverse perspectives and practical insights, enhancing the learning experience and expanding ethical horizons.

By integrating education, practical experiences, and open discussions, St. Ann's College strives to nurture individuals who exemplify values, ethics, and responsible behavior.

By fostering an environment that values compassion, integrity, and civic awareness, St. Ann's College equips students with the ethical foundation necessary for both personal and professional growth. This approach instills a sense of responsibility, empowers students to make principled decisions, and contributes to building a generation of individuals who are not only academically skilled but also morally conscious and socially responsible.

## **Induction programme For First Years on 1st and 2nd of September 2022**

Venue: St Joseph's Auditorium Timings: 9 am – 12 pm Organizer: Internal Quality Assurance Cell (IQAC)

In the beginning of the first year, students need to be made acquainted with their surroundings in the campus. This includes introductory sessions, giving them an overview of college life; the rules and regulations mandated for each student in a particular college/ faculty. It is an essential period at the beginning of the college session, which allows the students to get settled in their new environment.

The teacher coordinator of every stream sets a model of introductory orientation programme that includes academic as well as social activities.

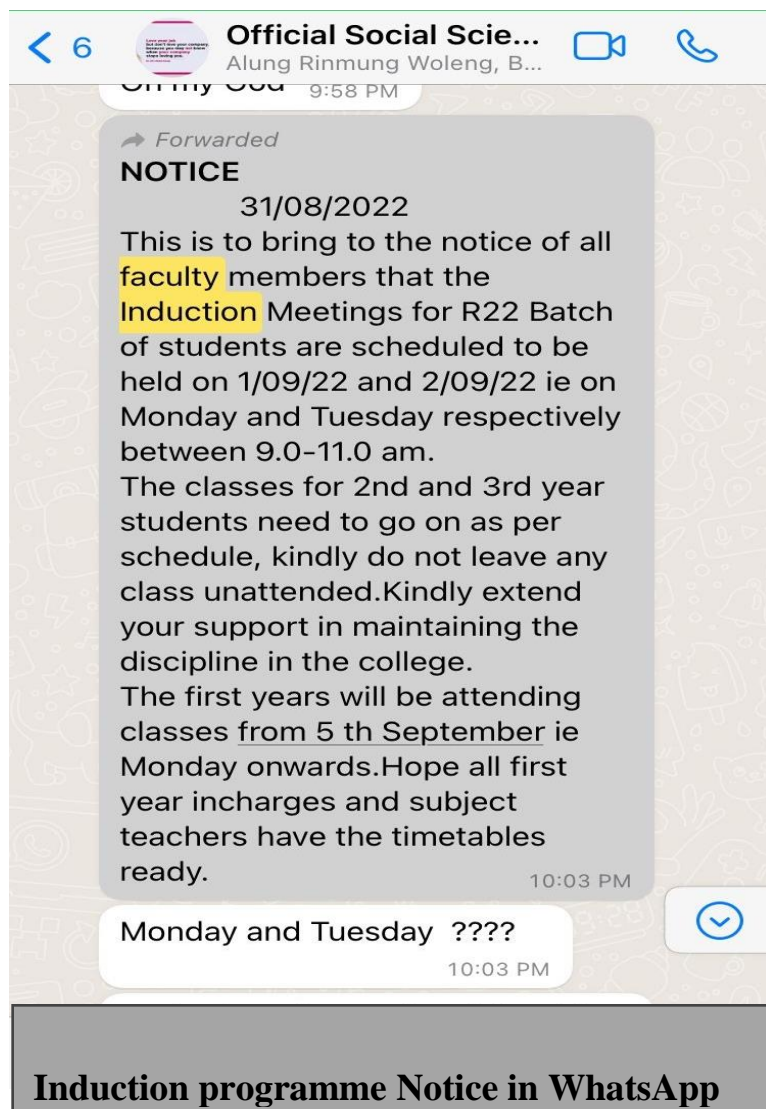

- Introducing students to their college life.
- Incorporating them in the college environment.
- Giving the opportunity to the college members and faculties to get connected to the new batch.
- **To know the rule regulation and ethics of the college**

The Induction Ceremony for First Years was held on 1<sup>st</sup> September 2022 for B.Com, BBA and B.A students and on 2<sup>nd</sup> September 2022 for B.Sc life and
