Hyderabad- 500 028, India

**On the occasion of World Sparrow Day** which is observed on 20-03-22, eco club organized a Interactive session followed by Eco quiz in collaboration with Green Mitti and Green Paw

**World Water Day 22-03- 2022** ,Interactive session organized at Govt school by Dharini eco club volunteers to Conserve Water and create awareness on Significance of observing this day

## National level events organised

### WWF Activities and ECHO project 2021

Dharini Eco club students are working on Echo- Building a Cadre of Green Entrepreneurs-National Project. The Topic of our project is Prakrithi Ki Pramithi -Designing Eco Banners from gunny bags, jute and textile waste to replace PVC banners.Echo is a programme by WWF India for college students that seeks to empower young minds to create innovative, long-term, impactful conservation projects. The National Echo Summit features the State Level Finalists

**St. Ann's College for Women**  
(Autonomous), Affiliated to Osmania University,  
Accredited 'A+' Grade by NAAC (3rd Cycle),  
College with Potential for Excellence by UGC,  
ISO 9001: 2015-ISO 14001: 2015  
Hyderabad- 500 028, India

sharing their journey of coming up with innovative and sustainable solutions for a greener economy.

ECHO Project Team leads -student representatives Ms Mariyam Tahani, Ms. Ayesha, Ms. Srija, Ms. Aakanksha and Teacher coordinator-AM Sylaja attended 2 Day ECHO workshop 2021-22 conducted on 26 and 27 Oct from 2 PM to 5 PM.

#### **ECHO representatives attended a session on**

i)" How to create a WOW effect in your Entrepreneurship Journey" with our eminent speaker, Ms. Pinky Maheshwari, Founder of SURPRISE SOMEONE. Date: December 7, 2021, Time: 3PM - 4PM

ii) An expert talk on "Business Development for Entrepreneurs by Ms. Caroline Whitefield, an entrepreneur turned professor who is currently teaching entrepreneurial studies in UK.

The session was focused on specific Sustainable Business case studies with the witty exchange of knowledge, and change-inspiring discussions. Date: January 28, 2022 Time: 4PM - 5PM

iii) Interactive session for ECHO Representatives and volunteers with Green waves Environmental Solutions Resource person Niharika on topic "Designing Eco banners from Gunny Bags on 12<sup>th</sup> March 2022 at 12.30

**St. Ann's College for Women**  
(Autonomous), Affiliated to Osmania University,  
Accredited 'A+' Grade by NAAC (3rd Cycle),  
College with Potential for Excellence by UGC,  
ISO 9001: 2015-ISO 14001: 2015  
Hyderabad- 500 028, India

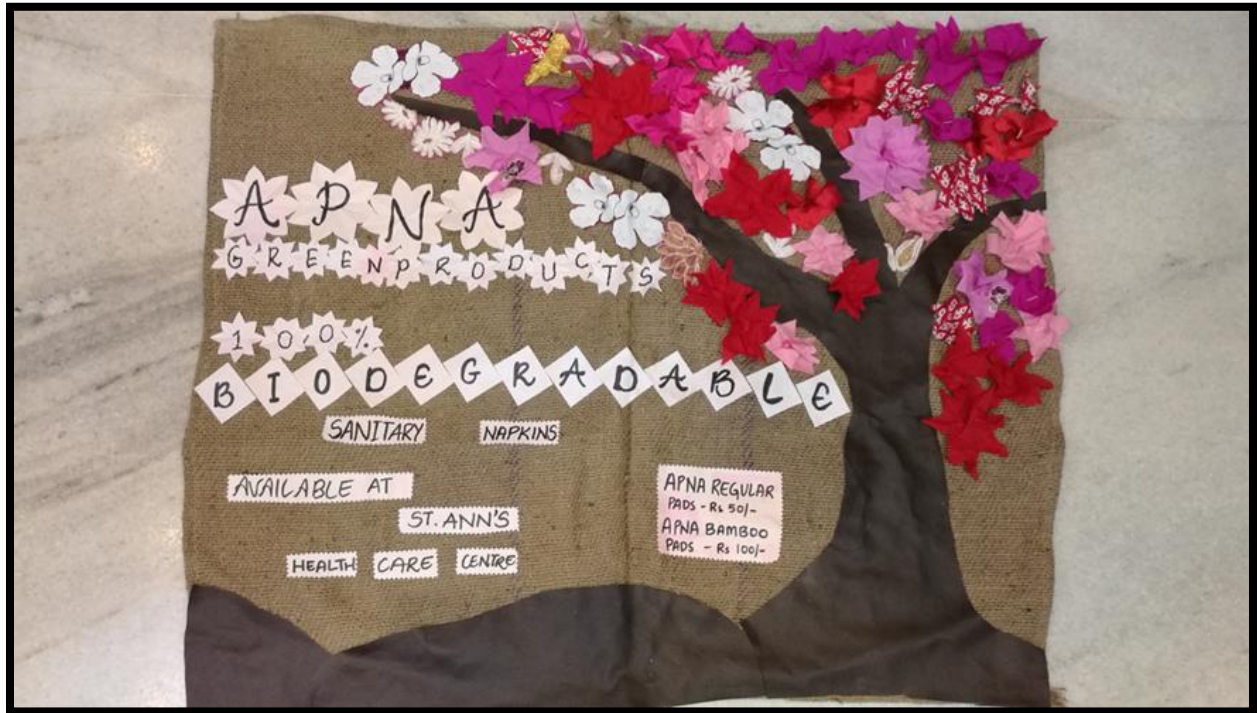

**The ECHO Team and Volunteers organized various competitions under this Prakrithi Ki Pramithi Initiative on the occasion of Earth Day celebrated on April 22 of every year.**

1. Fingerprint painting competition Topic: Paint your favourite animal on 23rd April, 2022
2. Caption writing competition Topic: Let's talk about rubbish! on 23rd April, 2022
3. Nature Photography Competition Topic: BRB, just admiring nature on 24th April, 2022
4. Best out of waste Topic: Recycle for a life cycle!
5. I am an Eco-Conscious Consumer (Mail us your story as a recycler at [prakritikipramiti@gmail.com](mailto:prakritikipramiti@gmail.com))

**Winners of all the competitions are awarded a certificate.**

The photography competition is a social media contest as the pictures mailed were uploaded on our Instagram handle. The picture receiving the highest number of likes will win the race! The pictures sent for best out of waste competition were uploaded on our Instagram handle. It is not a competition. All the stories mailed on "I am an Eco-conscious Consumer" were featured on our Instagram handle.

## NSS Conducted Haritha Haram on 16/07/2021.

NSS organised Haritha Haram on 16<sup>th</sup> July 2021 which is a Telangana government's flagship programme Telangana Ku Haritha Haram (THH), taken up to enhance the green cover in the state.

**St. Ann's College for Women**  
(Autonomous), Affiliated to Osmania University,  
Accredited 'A+' Grade by NAAC (3rd Cycle),  
College with Potential for Excellence by UGC,  
ISO 9001: 2015-ISO 14001: 2015  
Hyderabad- 500 028, India

### **Distributed Saplings**

Department of Economics Distributed Saplings to the Bojagutta Slum area, Mehdiapatnam under Telangana Haritha Haram Program

**St. Ann's College for Women**  
(Autonomous), Affiliated to Osmania University,  
Accredited 'A+' Grade by NAAC (3rd Cycle),  
College with Potential for Excellence by UGC,  
ISO 9001: 2015-ISO 14001: 2015  
Hyderabad- 500 028, India

**Educational awareness program on 'Air pollution, climate change and solid waste management on 17<sup>th</sup> February 2022**

The Department of Botany organized an educational awareness program as a part of the outreach activity at Jama-e-Osmania government school on 17<sup>th</sup> February 2022. The program was on 'Air pollution, climate change and solid waste management'. The main objective of the educational program was to create an awareness among the students about the harmful effects of air pollution, climate change and how to manage solid waste.

The aspects covered are:

1. The sources of air pollution and its effects were explained
2. Effect of climate change on human health and environment
3. Sources of solid waste management and segregation of different solid waste.
4. Activity conducted among the students to manage the different types of solid waste generated
5. Quiz was organized at the end of the session

Around 53 students of the class V participated in the educational activity. Students were very enthusiastic to know various sources, effects of air pollution and solid waste on the climate and living organisms. Students actively participated in the activity and the quiz organized.

**St. Ann's College for Women**  
(Autonomous), Affiliated to Osmania University,  
Accredited 'A+' Grade by NAAC (3rd Cycle),  
College with Potential for Excellence by UGC,

Hyderabad- 500 028, India

### **Outreach Activity-Awareness session on Eco Friendly Alternatives to Plastic Pads and Donation Drive on 30 -03-2022**

The Department of Biochemistry and Dharini Eco club of St. Ann's College for Women in collaboration with Apna Green Products organised an Outreach Activity-Awareness session on Eco Friendly Alternatives to Plastic Pads and Donation Drive in GHS Deval Jham Singh School, Gudimalkapur, AsifnagarMandal (Girls - 120 no.VI to X Class) on 30 -03-2022

#### ***Coordinators:***

1. Mrs. Aruna from Apna Green Products (99854 89681)
2. A.M. Sylaja Eco Club Convenor and Head, Department of Biochemistry (9849174742)

### **Menstrual hygiene and its waste management on 30<sup>th</sup> March 2022 at Government School. Hyderabad.**

The college students along with CEO of Apna Green products (Biodegradable pads manufacturer) went to Government school on 30<sup>th</sup> March 2022 in order to bring awareness among girls studying in ninth and tenth standards regarding menstrual hygiene.

**St. Ann's College for Women**  
(Autonomous), Affiliated to Osmania University,  
Accredited 'A+' Grade by NAAC (3rd Cycle),  
College with Potential for Excellence by UGC,  
ISO 9001: 2015-ISO 14001: 2015  
Hyderabad- 500 028, India

School girls were briefed with the following points-

What is menstruation? What is menstrual hygiene? How often should we change pads? And finally healthy habits or lifestyle whether or not you are in periods. Importance of yoga was also narrated. Flashcards of yoga poses during menstruation were displayed. The Asanas included- Bhramari Pranayama, Balasana, Bhujangasana, Dhanurasana and Matyasana

Most importantly, Mrs. Aruna (CEO, Apna Green) explained the importance of using biodegradable pads over conventional pads/sanitary napkins. The event culminated with the donation/ distribution of few pads to the students.

### **Green Challenge 2021**

An activity on #GREEN CHALLENGE for a sustainable cause was conducted to all the students of BBA by the Department of Business Management at St. Ann's College for women in Mehdiapatnam.

There were three activities in this challenge -

**Terracycle:** The first activity is about using the recyclable materials to plant a tree.

**Green Garden** second activity is about planting a sapling within their garden

**Trash To Treasure** -The third activity is about making the best out of waste activity which are environmentally friendly.

The students have chosen their choice of activity to perform, all the students from all the years actively participated in this challenge and took their part with a sustainable cause to make the environment green.

This activity is organized with a view of making the students involved with environmental activities. The challenge given to the students was a success with their active participation. Students also shared their experience through photographs which expressed their interest in the challenge.

The United Nations suggests that climate change is not just the defining issue of our time, but we are also at a defining moment in history.

Weather patterns are changing and will threaten food production, and sea levels are rising and could cause catastrophic flooding across the globe.

Countries must make drastic actions to avoid a future with irreversible damage to major ecosystems and planetary climate.

### **International Earth Day-Invest in our planet**

NSS unit in collaboration with Telangana Intellectual Forum -TIF organized a seminar as part of Earth Day-Invest in our planet on 21/04/2022. The students were addressed by eminent environmentalist Prof. K. Purushotham Reddy. More than 180 volunteers attended this seminar.

**Friday, April 22, 2022**

## **International Earth Day grandly celebrated**

**Hyderabad, April 21 :** Osmania University College of Science Principal and Geophysics HOD Professor B Veeraiah said that saving the earth is paving the way for the future. He was the chief guest at an event organized by the Telangana Intellectual Forum, on the occasion of International Earth Day at the St. Ann's Women's College Auditorium in Mehidipatnam. He said that we all have a responsibility to protect the earth from pollution, that the universe was formed 5 million years ago, that life was created a million years ago, and that human science has been in use for over 5,000 years. K Purushottam Reddy eminent environmentalist said that at present the temperature is rising day by day and there is a risk of reaching 45 to 50 degrees. The problem facing the world today is going to be global warming. Human beings are disrupting the environment to meet their needs at will, and the climate is changing dramatically due to ever-increasing greenery. Osmania University Geography Assistant

Professor Dr. Mohammed Akhtar Ali warns more rain, drought and acid rain can damage earth. Dr. Raj Narayan Mudiraj, State President, Telangana Intellectuals Forum, presided over the function. On this occasion the forum felicitated with award to environmentalist prof veeraiah and purush otham reddy with shawl garland and memento. St Ann's College Principal Dr. Sister P Amruta, Director Lions Club

of Hyderabad South Lion Premchand Munoth Jain, Telangana Pradesh Congress Committee Secretary Dr. Mohamenad Aijaz Uz Zaman, College NSS Program Officer Mrs. Mahita Davala, Program Convenor Beverly Basil, Lavanya, Battula Hemanth are present at the program. Subsequently the students performed a display with playcards to protect and preserve the earth and impressed everyone.
