Gender Champion Club @St. Ann's

Vision: The Gender Champion Club, in alignment with UGC guidelines, envisions a college campus that embodies inclusivity, respect, and gender equality, fostering an environment where all individuals can thrive regardless of their gender identity.

Mission: Our mission is to create a dynamic and safe space for open discussions, awareness campaigns, and initiatives that challenge gender stereotypes and biases. We aim to engage students, faculty, and staff in meaningful dialogue, encouraging them to become advocates for gender equality within the campus and beyond.

Objectives:

- **Awareness and Education:** Organize workshops, seminars, and awareness campaigns to educate the college community about gender issues, intersectionality, and LGBTQ+ rights.
- **Safe Environment:** Establish mechanisms to address gender-based discrimination, harassment, and provide support to those affected.
- **Inclusive Programming:** Develop events and activities that celebrate diversity, challenge norms, and promote understanding among all genders.
