CHEE'rs Club

Event: Elocution Competition

Date: 14-12-2021 to 15-12-2021

Time: 12:30 – 2:30 PM

Venue: Commerce Lab

Target Group: B.Com I Year Students

No. of Participants: 30

Coordinator: Mrs.T.Anuradha, Head Dept. of Commerce

Lecturer incharges: Mrs. K. Pranathi, Mrs. P.Josthna

Brief Report: CHEE'rs Club (Commerce House for Emerging Entrepreneurs) conducted Elocution Competition on the topic “**Resilience**” for B.Com I year students to instil confidence in students and to encourage them to enhance public speaking. Each participant was given two minutes to speak about the given topic. It was indeed astounding to see how beautifully students put their thoughts, insights and delivered the speech which was fluent and articulate. Best three participants were rewarded with certificates and cash prize.

Expected Outcome: To help students develop self-expression and confidence

Students Creating Awareness on Consumer Protection rights

Event: Logo designing and tagline contest

Date: 14-03-2022

Brief Report:

On the occasion of World Consumer Rights day, St. Ann's consumer cell has conducted various competitions starting from 14th March, 2022 to 17th March, 2022. Logo designing and tagline contest was organised on 17th March, 2022 between 12:30 PM to 1:30 PM in Commerce Lab.

Mrs. Beverly, Lecturer in Chemistry judged the competition. Mrs. Prathibha, faculty coordinator addressed all the participants and briefed them about the competition. Students from various departments like life sciences, B. Com, BBA, B.SC had got themselves registered both online and offline for logo designing and tagline contests.

Fifteen students participated, some of them participated as a team of three and the remaining have participated individually. Students came up with different and unique ideas. They have beautifully conveyed consumer rights in their artistic way. It was quite mesmerising to see their informative art.

On the last and final day of consumer awareness week, a documentary movie was shown to all the students of 1st and 2nd year from B.com in the AV Room at 11:30 PM. The documentary was made to bring awareness among the students, and also to tell the exploitation happening to the consumers in the market. The story is based on a workaholic woman who completely depends upon instant foods and gets affected with food poison as the shopkeeper gave her an expired product. It was a 12 min 32 seconds video, shot completely at our campus. Students from B. Com -Business analytics has filmed this. Around 150 students have come to watch the film. And also, the consumer cell is working on handling consumer issues practically that are faced by people under the guidance of our known lawyer Mr. Shakeel advocate, High court.

Cast and Crew of the movie:

M. Jemima James- B.Com (Business Analytics)

EQUINOX LAB

Event : Quick Space Activity

Date: 1-11-2021

Time: 10:00AM

Brief Report:

“Quick space” was conducted for the BBA second year students by Equinox Club. Activity was about the various brands, logos etc of organisations with a part of it being missing or faded for students to guess a set of questions curated to test their general knowledge about certain well-known brands. Each student had to guess the name of the company either from a set of images/emojis or with the help of their famous ad tunes; all within a time span of 45 seconds.

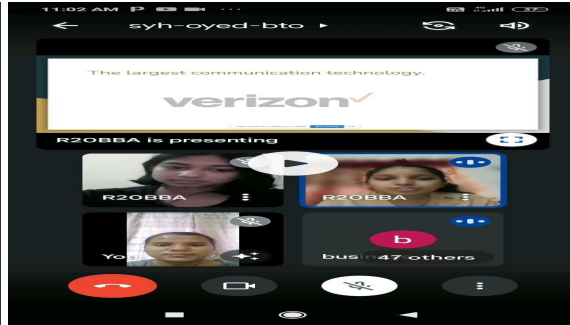

The activity was an effective icebreaker in helping them get comfortable with each other in the current virtual teaching scenario. It was refreshing to see the students eagerly awaiting their turn and actively responding when questioned. Overwhelmed by the positive feedback, it is safe to say that the students thoroughly enjoyed

Event: Prasnavaliya

Date: 10-11-2021

Brief Report:

The Equinox club organised an event “**PRASNAVALIYA**” for the students of BBA I, IInd and III rd year students on 10 November 2021. The event was open to students virtually as well.

The activity is a quiz with multiple choice based questions. The quiz was created with the help of a website called “**QUIZIZZ**”. The quiz consisted of 20 questions. Each question was given 30 seconds to answer. The structure of the questions was as follows:

- 1-10 questions were based on famous entrepreneurs. It focused more on Indian entrepreneurs.
- 11-15 questions were based on logo or tagline which the participant should identify which brand or company they belong to.
- 16-20 questions were based on basic entrepreneurship terms.

The students participated actively with their utmost patience, following all the protocols of Covid 19.

Winners:

Ist year – Annam umme

IInd year – Abhinaya swetha

EQUINOX LAB

Event: Sanchar Sethu

Date: 22-03-2022 to 23-03-2022

Brief Report:

The Equinox club organised the activity “SANCHAR SETHU” (communication bridge) for the students of BBA Ist year and IInd year on 22nd and 23rd March 2022.

The activity is concentrated on communication between the students. It is always seen that when a message is passed through certain levels there is change in the message communicated by the sender to the final receiver. To explain this to the students the activity has been conducted. It enhances the way of communication.

The students will be standing in a row. Two of the members are given headphones playing music at full volume. The first person is given a business related word or phrase and she has to pronounce the word to the person standing in front of her, the second person has to guess the word through lip sync and when the second person guesses the word they have to pronounce the word to the third person. The time limit for every group is 2 minutes.

Students participated with their attentiveness and utmost patience.

Event: vermicomposting

Date: 16th February 2022.

Brief Report:

Live and Let Live With Vermicompost- an Organic Manure (LLIVOM), a sale of vermicompost, was organized and coordinated in the College Quadrangle on 5th October 2021 from 12 pm- 1:00 pm by Dr. Tasneem Jahan, Mrs. D. Divya, Mrs. Juvaria Azmath, Mrs. N. Kavya and Dr. Poonam Dev. They were helped by the student volunteers of III Year GCZ.

The volunteers explained to the students and the staff about the importance of vermicompost and how it could be a better choice over chemical rich pesticides which harm both man and nature. The activity garnered a positive feedback from the students who were interested in knowing more about the vermicompost and how they could implement the same in their home gardens.
