Dear Sir,

Seasons' greetings from St. Ann's College for Women, Hyderabad!

It gives us immense pleasure to nominate you as the Member to the Scientific Advisory Committee of our college. Your scientific aptitude and required inputs would be helpful for the development of our institution. It would prove to be beneficial for the students for conducting quality research leading to publications in esteemed and reputed journals, dissemination of knowledge and its positive impact on the society.

The committee aims into perusing through the aspects of validation of research designs, start-ups and their incubation in a right perspective. The committee believes in safeguarding the dignity, rights and well-being of the individuals on whom experiments are being conducted by providing scientific guidelines, education in scientific principles, and the necessary resources to monitor and implement scientific decisions.

We would be grateful to you if you accept our formal nomination.

Looking forward towards receiving a consent mail at your earliest.

With warm and kind regards.
