REPORT OF NCC ACTIVITIES

1. Menstruation-A bias

Date: 17th March 2022

No. of Student Participants:40

Menstruation is accompanied by various myths, taboos, and stigmatizing, negative and shameful sentiments. Cadets took part actively in a debate on “menstruation- a bias” where cadets intensively discussed the importance of spreading awareness.

NCC Volunteers discuss on taboo of menstruation

2.Skit on Sexual Abuse

Date:21st March 2022

No.of Student Volunteers:40

Sexual abuse is a pervasive problem. The abuse can lead to shock, fear, sadness, and in some cases, an anxiety or depressive disorder. But therapy, coping skills, and social support can relieve the burden and help survivors heal. Personal, societal, and legal hurdles often prevent survivors from disclosing the abuse and receiving the help they deserve. To address sexual harassment and assault, the NCC cadets choreographed a skit and presented to create awareness

3. Virtual Suryanamaskar program

Date: 14th January 2022

No. of Student Participants: 40

Ministry of AYUSH Govt. of India organized a large scale virtual Surya Namaskar programme to mark the occasion of Makar Sankranti on 14th January, 2022 under Azadi ka Amrit Mahotsav celebrations. Makar Sankranti festival is celebrated as a thanks giving to Mother Nature for spreading health, wealth and happiness around. As Surya Namaskar demonstration on Makar Sankranti is more relevant in the current resurgence of COVID-19, it is laid emphasis on that 75 Lakh people will practice Surya Namaskar across the globe on 14-01-2022. NCC Volunteers registered online and participated in the program

REPORT OF THE EVENTS

MEAL DISTRIBUTION: Rotaractors of Rotaract Club St. Ann's College in collaboration with NGO foundation - "Love Army Charity- A force of humanity" distributed meals for the needy like daily wage labourers and others who were having tough times during pandemic on 1st July 2021.

Meal distribution

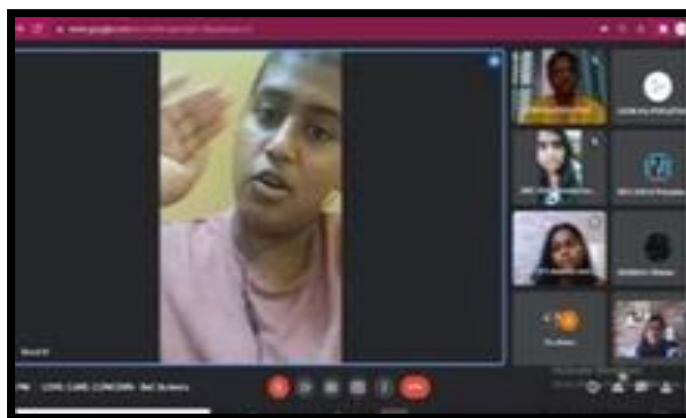

HOLISTIC PET DAY: On the eve of Holistic pet Day on August 30th, awareness on maintaining pet's health is created through social media platforms of the club.

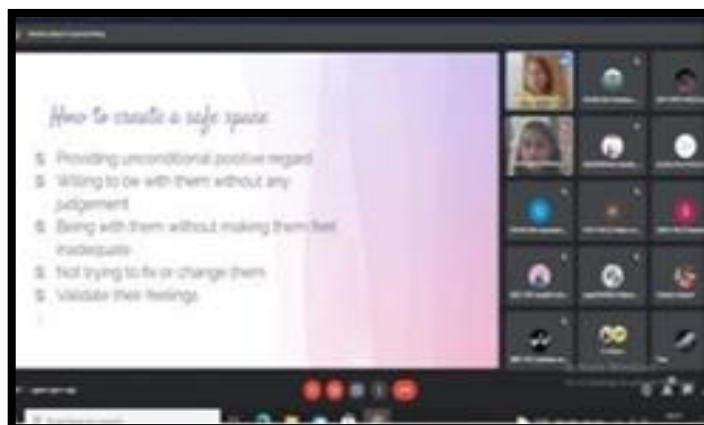

Students with their pets

LOVE, CARE & CONCERN: On the occasion of World Rose Day which was observed on September 22nd in dedication to the welfare of cancer patients, Rotaract club has organized a speaker session with Rtn.Rtr.Shruti, a social activist and also a Cancer survivor herself

Session on love, care and concern

UMEED: MENTAL WELL-BEING CAMPAIGN in collaboration project along with Rotaract Club of Utkarsh and The Bright Side Foundation.

Session on mental well being

DIL HAI HINDUSTANI: Rotaract Club of St. Ann's collaborated with Rotaract Club of Wakanghat and Delhi Philanthropists and represented state Telangana in an event to showcase eccentric diversity in different aspects of the state scheduled from 15th October to 5th November 2021.

CHILDREN'S DAY CELEBRATIONS @ SCHOOLS: Outreach volunteers identified 4 schools near Mehdipatnam and carried out Children's Day Celebrations from Nov 12th to Nov 15th 2021.

Debate, essaywriting, painting and fun filled activities have been carried out at schools

Fun activities held on children's day

CERVICAL CANCER AWARENESS: January observed as Cervical Cancer Awareness month, outreach volunteers & rotaractors created awareness about causes, symptoms and detection methods of cervical cancer.

Poster on cervical cancer to spread awareness

NATIONAL GIRL CHILD DAY: As part of National Girl Child Day on January 24th, volunteers visited various schools nearby college and conducted sessions on personality development, competitions on poster making and slogan writing.

Activities held on National Girl Child Day

ROOTS: Recognising International Mother Language Day on February 21st, Rotaract Club created an awareness video on importance of mother tongue in cultural heritage in collaboration with other Rotaract Clubs and shared it in social media platform

WOMEN'S DAY CELEBRATIONS: To Spread the message of gender equality and celebrate the achievements and contributions of women in different spheres ,women's day was celebrated at New Model High School, Doodhbowli on 8th March

AWARENESS SESSIONS ON PERSONAL HYGIENE: Developing and maintaining good personal hygiene is key to having healthy body and mind. Keeping in mind the rising importance of personal hygiene during the pandemic times, Outreach volunteers prepared resources and carried out sessions on the same at Sri Saraswathi Sishumandir, Karwan for primary and middle school students.

SESSION ON SPORTS & FITNESS: Academic performance is not only based on intellect but also on the health of the child. It is a vital factor in a child's ability to learn. Students of Sreshta School, Jubilee Hills were enlightened on the relationship of physical activity and physical fitness importance on good academic performance.

LEADERSHIP DEVELOPMENT: Leadership development programs are real opportunities to build real time skills. Leadership is great way to exercise strengths and explore one's interests. Time Management, Goal setting, communication, decision making, accountability & networking, the key assets to become a great leader are some important concepts discussed by the outreach team to the students of Bhojagutta government school.

LIFE SKILLS: Sessions on Importance of Life Skills in one's life was carried out at Global Techno High School, Mehdipatnam

REPORT OF THE EVENTS

1.Webinar on Gender Equality and Empowerment

Date:8th Sep, 2021

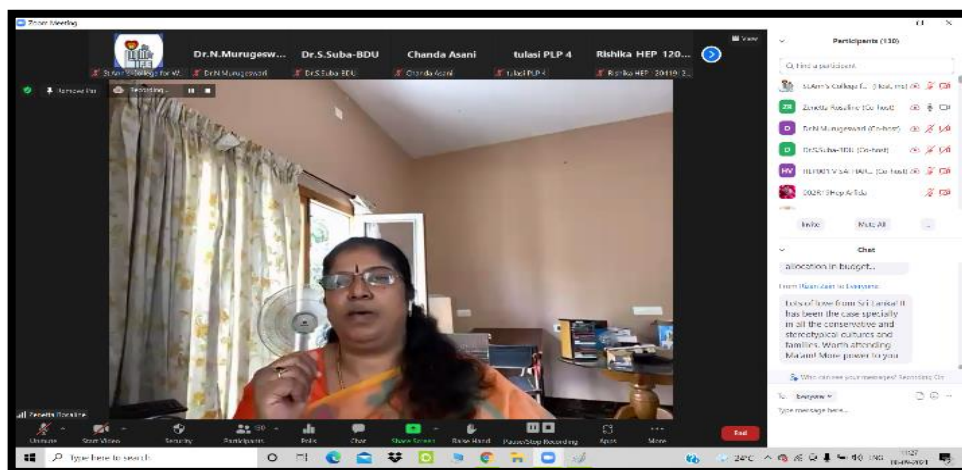

No. of students participated:100

The webinar started with a prayer followed by welcome address by Prof. Dr. N. Murugeswari, Department of Women's Studies of Bharathidasan University, Tamil Nadu. Ms. Popy Devi Nath, Director, Centre for Women Studies, St. Ann's College for Women introduced the resource person Dr. Zenetta Rosaline, Professor & Director, Dept of Women's Studies, Bharathiar University, Coimbatore and welcomed the resource person Virtual green greeting. Prof. Zenetta started her speech by highlighting generations have changed but the patriarchal mindset and stereotyping women has not changed and hence there is a need of awareness on Gender Equality. She also spoke about the sustainable development goals proposed by U.N which said that by 2030, the world will be 50: 50 which means that 50 % of men and 50 % of Women will occupy all walks of work in life, which indicates the advent of Gender Equality. She explained why Gender Equality is such a big question in today's times. In Indian Scenario, Female infanticide is still found certain parts and Tamil Nadu and other states which is horrifying in today's times. Establish an overall equal society, change should first start in our home and in our mindset

She has highlighted about Gender inclusive growth and the importance of gender sensitization in educational institutions. Women should be considered equal to men. This idea is the need of the hour both socially, economically and judicially.

She explained about Gender responsible budget which is aiming to remove the differences in the pay check of men and women and providing more facilities like extended maternity leave to women.

She concluded the session by saying "Gender Equality is not a luxury; it is a necessity". The webinar seemed to be very active with the interaction of the participants.

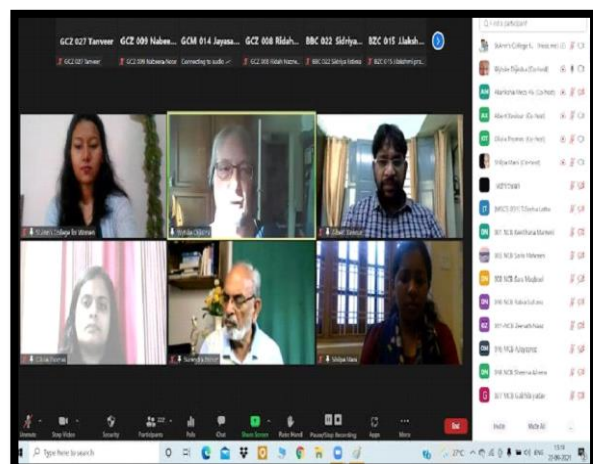

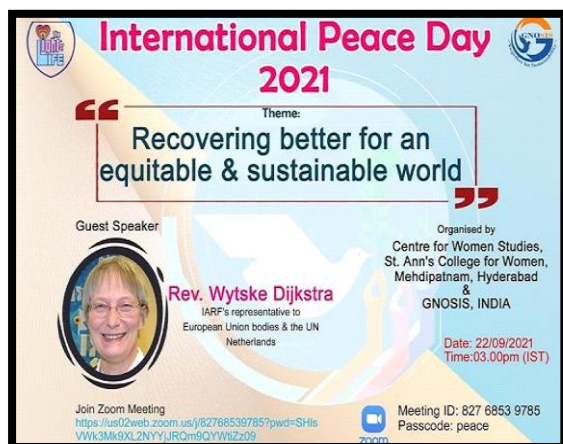

Resource person on Gender Equality and Empowerment

2. International Peace Day Theme

Date: 22nd Sep, 2021

No. of students participated: 100

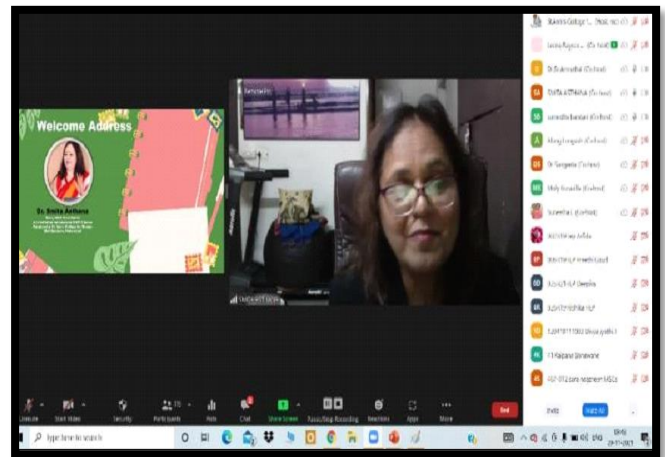

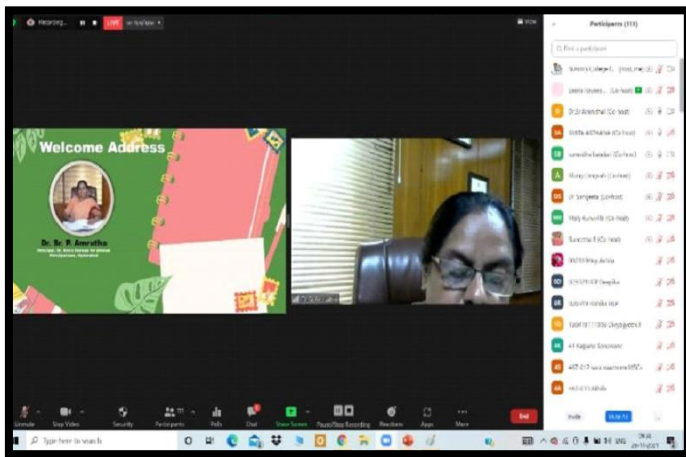

The session started with an Invocation Prayer. After the Prayer, Bro. Albert Xaviour, President of Gnosis welcomed everyone. The session started with an introductory session given by Ms. Popy Devi, Director of Center for Women Studies, St. Ann's College for Women, Hyderabad. The main session was handled by Rev. Wytse Dijkstra. She had spoken about how we can initiate peace from our minds that ultimately leads to societal harmony. The social values and human rights are very essential in present situation. She also invited youth to take responsibility to promote peace in the society. The webinar seemed to be very active with the interactions of the participants. The program was got over by 4:30 PM with the Vote of thanks of Program Director of GNOSIS, Ms. Olivia Thomas

3.Two-day National E- Conference on Unequal Pay

Date:29th and 30th Nov, 2021

No. of students participated:40

E-conference on Unequal Pay: Gender discrimination

4. Capacity Building & Personality Development Training Program (PDP)

Date:17th Nov, 2021.

No. students participated:20

Webinar on importance of capacity building

5.Talk on Gender Based Violence

Date:30th Dec, 2021

No. students participated:10

Ngo Management students has taken an online session to St. Albert School, Hyderabad on Gender Based Violence. The objective is to improve the knowledge and skills on GBV. The programme aims to give awareness to fight, prevent and respond to gender-based violence. The demonstration conducted by NGO management students gave a clear picture about the safe circle and it was truly gratifying to see children creating their own safe circle by pasting the pictures of their parents and siblings. This practical presentation helped the school students to recognize, safeguard and protect themselves against such dangers from an early age. The moto of the session was to enlighten the children that their body belongs to them and they need to stay safe and secure.

Session on knowledge and skills on GBV

6. Online Session on Moral Values

Date: 21st Jan, 2022

No. students participated:10

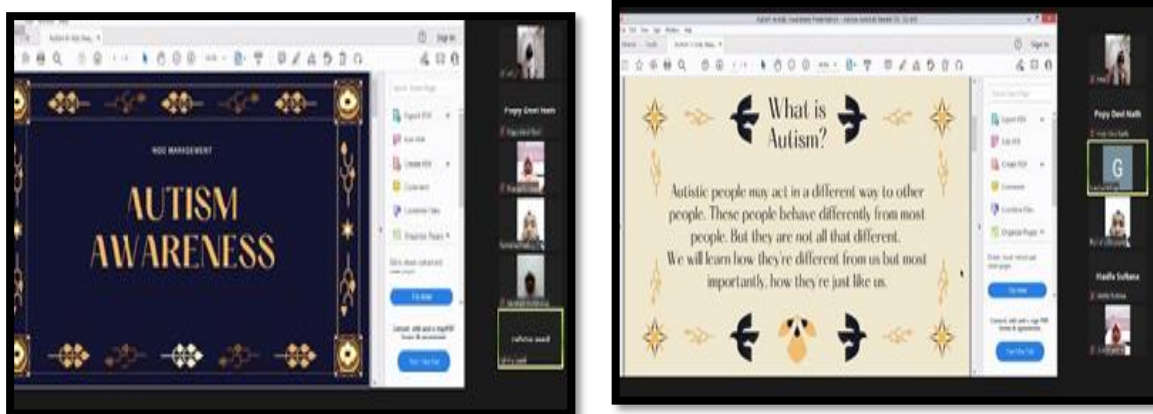

Ngo Management students has taken an online session to St. Albert School Students in association with WeVolve, Hyderabad on Moral Values. They highlighted on adolescent depression, effects of low self-esteem, recognizing low self-esteem, selflove and building confidence. And also highlighted on fear, anxiety, anger, sadness and grief are compounded by being away from schools, work, peers, adjusting to new ways of learning and working. Main aim is to provide young people with a platform for genuine connection amid uncertainty, encouraging them to generate mental health awareness among young people, and strengthen demand for integrated mental health and psychosocial interventions. The session was very interactive and students were very engaging. The session lasted for an hour and ended with a loud cheer from the students.

7. Online Session on Autism Awareness

Date: 4th Feb, 2022

No. students participated:10

Ngo Management students has taken an online session to Neo Rosary School on Autism Awareness. People with ASD have specific characteristics, behaviours and ways to do things their way. Main objective is to understand their way of seeing the world and help them learn, perform and excel well without trying to change their way of doing things. They highlighted on the hurdles that people with autism and others are facing every day and stigmas and myths associated with autism.

Session on autism awareness

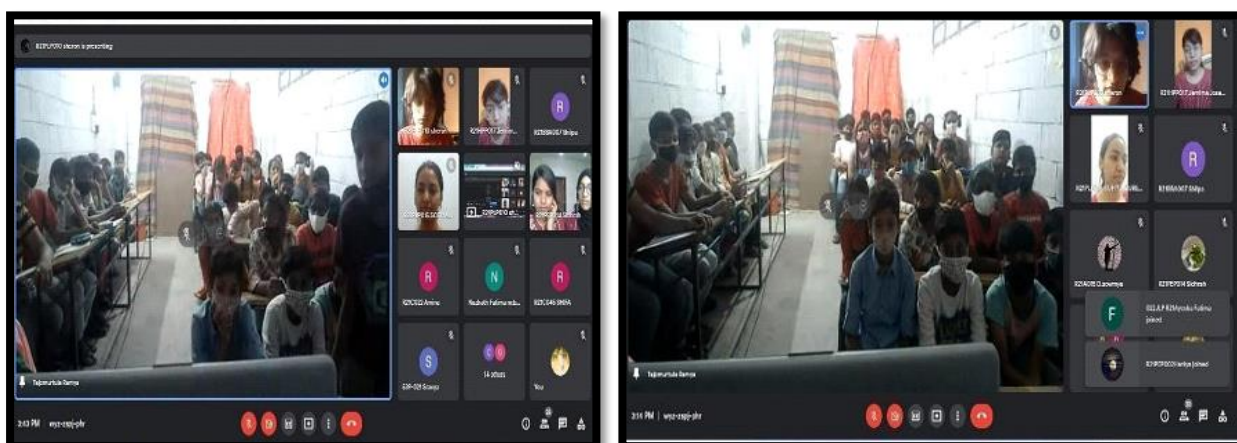

8. Online Session on Racial Discrimination

Date: 11th Feb, 2022

No. students participated:10

Ngo Management students has taken an online session on Racial Discrimination at St. Albert School, Kishanbagh. Addressing racism and racial discrimination must be core public health priorities, even more so among children and young people. NGO students has highlighted on racial injustice and discrimination.

The values of acceptance and understanding, love instead of hatred against one another, not judge due to someone's ethnicity, judge based on how they treat themselves and other people that interact in the environments around them.

Department of Biochemistry

1. National Science Day Celebrations

On the occasion of National science day, students from Department of Biochemistry went to 3 Government school, Shaikpet, Secunderabad, Darga. National science day is celebrated in India on February 28 every year. The day is celebrated to commemorate the discovery of the ‘RAMAN EFFECT’ by the great Indian physicist Sir CV Raman on February 28, 1928. He was awarded the Nobel Prize in Physics in 1930 for the same.

The main objective of National Science Day is to bring awareness about the importance of science in our daily life and to encourage people by popularizing the Science and Technology. Student volunteers gave a brief introduction about national science day to the children and gave them in depth knowledge of science and technology for their future. Children of government school got exposed to the live experiment – Raman effect performed by student volunteers, also conducted a quiz based on what they have learnt from the session, majority of the children could answer the question because they were free to listen and the session was very interactive and the major part is they have learnt everything through the lively experience which they got by performing the experiment. The top performers in the quiz activity were awarded with Pens and rest all the students’ received chocolates for being very interactive throughout the session. Children were trained to learn- how to think beyond the concept of lesson and how to co-relate lessons with our surrounding environment. The Department of Biochemistry and Dharini Eco club of St. Ann’s College For Women in collaboration with Apna Green Products are organising an Outreach Activity-Awareness session on Eco Friendly Alternatives to Plastic Pads and Donation Drive in GHS Deval Jham Singh School, Gudimalkapur, AsifnagarMandal (Girls - 262 no.VI to X Class).

Live experiments done by students on National Science Day

Department of Botany

Awareness on Environmental pollution, climate change & Solid waste management

The Department of Botany organized an educational awareness program as a part of the outreach activity at Jama-e-Osmania government school on 17th February 2022. The program was on 'Air pollution, climate change and solid waste management'. The main objective of the educational program was to create an awareness among the students about the harmful effects of air pollution, climate change and how to manage solid waste.

The aspects covered are:

1. The sources of air pollution and its effects were explained
2. Effect of climate change on human health and environment
3. Sources of solid waste management and segregation different solid waste.
4. Activity conducted among the students to manage the different types of solid waste generated
5. Quiz was organized at the end of the session

Around 53 students of the class V participated in the educational activity. Students were very enthusiastic to know various sources, effects of air pollution and solid waste on the climate and living organisms. Students actively participated in the activity and the quiz organized.

Educational awareness programmes

Department of Chemistry

Distribution of chemical free Sanitizer and face masks in Rythu bazaar, Mehdipatnam, Hyderabad

Participants-

- 1)Pranavi(BBC 023)
- 2)Anupama(BBC 015)
- 3)Swaranjali Vemula(GCM 011)
- 4)Sujin Suresh(GCM 028)

Outreach project under the supervision of HOD department of chemistry Aphia mam. The outcome of this project was supposed to be creating awareness among common people about the importance of wearing a mask and using sanitizers.

We carried out this process in chemistry lab in the college. We brought all the necessary ingredients and prepared a chemical free sanitizer. We have transferred the contents to 50ml sanitizer spray bottles.

We went to nearby Raitu Bazar, Mehdipatnam where we could see that many vendors were not wearing a mask or using sanitizers, we distributed the sanitizers we made and tried to explain them the necessity of using a mask as well as sanitizers in this pandemic situation.

The project went out well as we planned and we could create a little change that can surely be a start. We would like to thank our HOD Aphia Mary mam for giving such wonderful idea for our outreach project and helping us throughout to execute it successfully.

Students at Raitu Bazar distributing sanitizer

Department of Commerce

Consumer Awareness Drive

DATE-16th March, 2022

As a part of consumer awareness week, St Ann's Consumer Cell conducted awareness drive to educate students of varied institutions about consumer protection and rights. They have educated students of Sindhu Junior College and Sri Chaitanya Techno school on consumer protection and what best can be done to seek redressal. Audience were enthusiastic in learning and were quite participative.

Team has adopted different methodologies like ppts/video/chalk and board in creating awareness. Drive was successful in accomplishing its motto of educating the students and making them empowered with the knowledge of consumer protection.

Session on consumer awareness

Environmental Sustainability -Awareness Drive

Few students representing the cheers club visited the govt school nearby to spread awareness regarding environmental sustainability. We prepared a few charts which depict the ways to sustain the environment. We elucidated to the students how can we support our environment to have a promising future. The session was interactive as we conducted activities, which brought out enthusiasm and active participation. The students promised to plant a sapling on their birthdays. The awareness program was profitable as we were successful in expressing the message to the students.

Awareness program on environmental sustainability

Department of Nutrition

1.NutriBag Campaign Event Report

The Department of Nutrition at St. Ann's College for Women, Hyderabad, since its inception has been an Health Advocate to its students and the society. The Department of Nutrition is prominent in the twin cities for organising, hosting and conducting various events such as conferences, seminars, webinars, drives and other programmes, etc. There is a week-long celebration of National Nutrition Week (1st-7th Sept.) in the Department where competitions, interactive programmes, informative conferences, seminars or webinars with esteemed speakers are held. The Department is proactive in carrying out such activities and believes to convey its motto : Nutrition: Body's Best Ammunition.

In the month of December 2021, the Department had organised a "NutriBag Campaign" for the underprivileged and marginalised sections of the society; bearing in mind the College Theme for this academic year - "Resilience" which implies the ability of one to withstand adversity and bounce back from difficult life events. Post Pandemic life has been extremely difficult for many, especially the people belonging to the lower strata of the society, for whom even obtaining a single meal is challenging due to the unavailability of jobs. To help combat this problem at a smaller scale, the NutriBag Campaign was organised. The NutriBag included a package kit of minimum supply of ration of:-

1. 2kg Atta(wheat flour),
2. 5kg Rice,
3. 1kg Tuvar Dal,
4. 1l Oil and
5. 100 gmsChilli Powder

Initiation & Course of action of the Campaign:

Firstly, the PG Nutrition Students (MSc. Clinical Nutrition and Dietetics &Pg.Diploma) volunteered for the event, then an Event Notice was drafted and approved which was printed out and submitted, later the announcements were made in the entire college and a Whatsapp group was created consisting of all the donors. The donors were given a time period of 2-3 days to collect the ingredients and deposit them in the Nutrition Lab. On the 30th of December, 2021, 35 packages were collected. On the 31st of December, 2021 the distribution of the NutriBag's took place.

The Volunteers loaded the NutriBag's in PgD. Student Likitha's

Car and two motorcycles of PgD. Student Pallavi and Nafisa. 9 Volunteers of PG had gone for distribution namely Shumaila, Likitha, Zehra Meher, Raiha, AmatulSafia, in Likitha's Car ; Ameema Simi and Raazia were pillion riders on Nafisa and Pallavi's Motorcycles.

The first area where the students distributed the packages was a few lanes behind the College in Santosh Nagar, where there were kaccha houses. Next, the girls headed to Gudimalkapur slums, near the Gudimalkapur Mandi. Lastly, they went to the slums near Classic Colony, Humayun Nagar.

This social work & outreach activity touched the hearts of students and the beneficiaries. The faces of the beneficiaries lit up with smiles and gratitude and the students were given a reality check of the harsh societal conditions prevalent in 2021 around them. This ignited a spark in the volunteers to participate in more such noble causes for the betterment of the society. The volunteers are extremely grateful for this opportunity and thank the Head of the Department Meena Ma'am and the teachers of the Department of Nutrition, St. Ann's College for Women for organising such an event and instilling in them moral values along with academics.

Conclusion:

I would like to conclude this report on a quote that holds true especially at the Department of Nutrition; in the words of our Late President, Dr. A.P.J Abdul Kalam, "Teaching is a very noble profession that shapes the Character, Calibre and Future of an Individual."

Hypertension month Event

The month of May is celebrated as the hypertension awareness month. Department of Nutrition have organized the hypertension awareness month event on 27-5-2022 and the MSc 1st year students have actively participated in this event. The event includes :

- • Registration
- • Screening
- • Counselling
- • Menu plate for hypertension
- • Feedback

80 participants have registered for this event including teaching and non teaching staff. Firstly the participants got registered. Greeshma and Lavanya took the registration details, Anthropometric measurements (includes height, weight , BMI)and then the registered participants got screening for blood pressure that was done by Sushma, Shivani, Amatul, Hania, Alshifa, Daniyah, Heena. The registered participants were screened for blood pressure by using Sphygmomanometer and electric bp machine. After the screening, the diet counseling was given to the registered participants by Nabihah, Shehwar, Adeeba, Ayesha, Shumaila. Then a sample menu plate was displayed which includes veg and non veg for hypertension patients which was made by Zehra Meher, Muneeb fatima. Then the feedback was taken from the participants by K. Shivani, Prashasthasony, Keerthana. Posters and leaflets was provided for better understanding that was made by T. Shivani, K. Shivani, Samreen banu, Saadia, Heena.

Out of 80 participants , 21 participants have high bp, 26 participants have low bp and the rest are normal.

Hypertension is a silent killer. Hypertension is an elevated blood pressure. According to WHO 207 million people are suffering from hypertension in India. In last 30 years hypertension has increased from 650 million to 1.28 billion aged 30-79 years old adults.

The diet counseling included about the causes, dietary guidelines, nutritive values, dash diet , risk factors,do's and don't's.

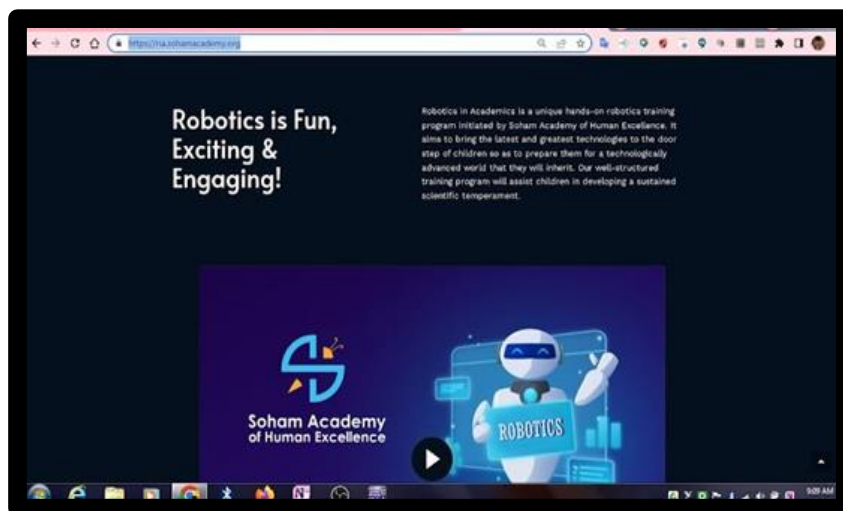

Awareness on Hypertension

Department of Physics & Electronics

Name of the event: Robotics to Government School Students

Robotics in Academics is a unique hands-on robotics training program initiated by Soham Academy of Human Excellence. It aims to bring the latest and greatest technologies to the door step of children so as to prepare them for a technologically advanced world that they will inherit. Our well-structured training program will assist children in developing a sustained scientific temperament.

The academy works with large multinational organizations to train students of Government schools in Robotics. We have trained over 3500 students across several high schools in the just concluded 2021-22 academic year. During this period, 6 students from St. Ann's college have participated to impart practical training on Arduino based project development to school children.

Mosquito Awareness Programme-“Beat the Blood Suckers”

An awareness programme was conducted for the school students of G. H. S. Deval Jham Singh Model School, Bojagutta on 2nd December 2021 on the topic “Beat the Blood Suckers”.

The lecture was given by Dr. Tasneem Jahan and Mrs. D. Divya who went to the school with student volunteers of III Year NCZ. The student volunteers had given an extensive explanation on the mosquito vectors, Zika virus, West Nile virus, Chikungunya virus, dengue, and malaria and different preventive measures the students could take to curb the over growing population of mosquitoes. The school students found this programme to be very informative and wished to know more about Zika virus, West Nile virus, Chikungunya virus, dengue, and malaria and the role they could play in the society to prevent spreading of these malicious diseases.

Benefits:

- To identify the different types of mosquitoes.
- To learn about the prevention of diseases spread by mosquitoes like Zika virus, West Nile virus, Chikungunya virus, dengue, and malaria and implementing these measures in day-to-day life.

Target Group: School students of G. H. S. Deval Jham Singh Model School, Bojagutta.

Number of Student Volunteers & List of Student Volunteers:NCZ III Year Students

- Nageen Fatima
- Afra Kauser
- AlviyaKounanin
- Ayesha Shireen
- SuhanaMaheen
