Annual Report 2020-21

Preface

“Learning, creativity, thinking, critical analysis in pursuit of knowledge makes us what we want to become. An honest reflection and introspections tells us how far we have come and what more need to be done to fulfill our mission”

In this voyage of the discovery of excellence at St Ann's, our endeavour is to do what is to be done to align with our vision of academic excellence, skill enhancement and value enrichment in our thoughts, word and action.

The year 2020 – 21 was a year full of uncertainties, trials and fear. An unprecedented time which changed the face of all educational institutions, teaching – learning, examinations, the whole gamut of campus experience stood still. Yet we moved on aided by technology and never say die spirit. All things moved to virtual platform but what remained rooted was our commitment to work harder and cherish the Light of Life. The college continues to grow with dynamic curriculum, innovations, dedicated human resources, state of the art infrastructure, outreach activities, student centric teaching methodologies, research and development, placement, innovative practices, student support activities and leadership in quality, impact and reach. It provides a work environment in which every staff enjoys the responsibility to contribute to the success of the institution and are empowered to do so.

This report is a compilation of the inputs, processes and outcomes of our endeavours for quality sustenance and enhancement processes that have been put in place by IQAC. Three thousands plus students at the Degree and PG level in thirty five program options embraced new challenges and fresh technologies. The college received good ranking at India Today, The Week and Education World's surveys.

In tune with the IQAC tradition of dedicating each year to a theme; this year's theme was “Scaling Challenges”.

Dr. Smita Asthana

Governance, Leadership & Management

Leadership ensures to create an environment that fosters development of an institution. It helps in laying down a specific direction for an organization to articulate vision, devise plans, and facilitate decision making process. The management works towards providing an environment conducive to learning, teaching, academic inquiry and innovation, maintaining academic excellence and professionalism, ensuring adequate facilities for existing programs and strategizing for growth and expansion. The Institution believes in promoting a culture of

Innovations and Best Practices

Environmental practices

Environment Consciousness efforts by the department such as Energy conservation, Hazardous waste management, e-waste management, plantation

Environment consciousness which can empower the organization to frame a better environmental performance includes energy conservation, use of renewable sources, rainwater harvesting, and efforts of carbon neutrality, plantation, hazardous waste management and e-waste management. Departments put special effort to insist the environmental awareness among the students. Departments, Committee and Clubs make all the efforts to provide every student with opportunities to acquire the knowledge, values, attitudes, commitment, and skills needed to protect and improve the environment; to create new patterns of the environment for its present and future generations.

The following exercises were embraced to reduce our ecological footprints.

- Departments are working with ICT center to spread environment consciousness and awareness regarding dangers of e-waste and participating in their e-waste management program by collecting electronic waste.
- Conserve energy by switching off all lights, fans and other electric/electronic equipment when not in use.
- Hazardous wastes are disposed of separately by following the bio safety rules.
- E-waste generated is deposited in the ICT.

St. Ann's College for Women

(Autonomous) Affiliated to Osmania University
NAAC Accredited with A+ Grade (3rd cycle), CPE by UGC
Mehdipatnam, Hyderabad-28

- Plantation of saplings was done as a part of activity under Eco Club.
- Tree plantation program under the banner of “Haritha Haram” by Botany Dept.
- E-waste Drive was also organized to collect e waste from students and also from department and handed over to Green Waves Environmental.
- Use of soft copy for projects, brochures, and posters to save paper and trees.
- Sale of vermi-compost was arranged in the college premises by Zoology department.
- Lot of e-content in the classroom teaching is used and students are encouraged to use the e-platform instead of using hard copies.
- The unused print outs are reused for rough work.
- The departmental notices are being sent through emails, whatsapp group, google class rooms to all the students.
- E newsletter
- Online feedback mechanism.
- Online activities using Google forms and other online platform.
- The invitation for various departmental activities like intercollegiate competitions, national workshop, seminar etc to faculty and students of other colleges is done digitally through social networking media like WhatsApp, Email, Facebook etc.
- Department of Business Management has taken the initiative to bring people together towards a greener and more sustainable cause which benefits everyone through #Green Challenge@ St. Ann's by nominating staff and students for the green challenge on 25th August 2020.
