Annual Report 2021-2022

P R E F A C E

Education is the foundation of any society and educational institutions structure a nation's future by facilitating all round development of its future citizens. The young of today are gearing up to become adult citizens of tomorrow. We must stimulate curiosity in the young, impressionable minds and equip them with tools to become better human beings. The learning process is instrumental in shaping one's personality and the way she deals with situations of life and vision of institutions in education should be focused on well-rounded development instead of just a mean to acquire degrees and material success in life.

St. Ann's college for Women came into being in 1983 with 2 undergraduate courses and 106 students. Today on the verge of completing four decades it has emerged as an institution of excellence, enshrining its ideal "Light of Life". Presently it offers 27 UG Programs in: Arts; Science; Commerce and Business Management; 8 PG programs in: Commerce; Chemistry; MBA and MCA and PG Diplomas in Nutrition and Dietetics, Counselling skills. Data Analytics besides a number of value-added Ability Enhancement Courses, Skill Enhancement Courses and structured Co-Curricular activities to make students better employable and competent to meet the challenges of the competitive and increasingly globalizing world.

This report has been a collective effort involving dedication, inspiration, and integrity. we are hopeful that the success of our endeavours to promote quality sustenance and enhancement, as also to bring about stakeholder participation and involvement at all levels will come through clearly in this report.

In tune with the IQAC tradition of dedicating each year to a theme; this year's theme was **Resilience** and the report records the efforts made by all departments, cells, clubs, and centers towards it.

The present report reflects the implementation of strategic, operational and year long plans to meet current and future needs of society and industry, innovation to enhance the teaching-learning process, conduct of, and participation in, faculty development programmes, efforts to

achieve faster growth and excellence in research, expansion of its infrastructure with respect to buildings, library facilities, computing facilities, laboratories, new links to recognized international and national academic institutions and industries, participation in co-curricular, extra-curricular, and community service activities among students and specific IQAC interventions and efforts.

A student - centered environment, centers for continued development, a Student Quality Assurance Cell, participatory management and a faculty always in pursuit of being better than yesterday, are some of the innate quality enhancement efforts reflected in the report. The report captures the scope of the strides we have made, the exertion involved in these advances and specific IQAC direction and its efforts. Our dedication to improving the student experience is exemplified by initiatives outlined herein.

Our commitment to moving the needle on student success also shines through in our faculty. They bring an average of 8.44 years of teaching experience and come from nineteen different universities bringing ample diversity. The efforts of the faculty must be acknowledged who have shown such remarkable adaptability, overcame technical challenges and delivered quality instruction in times of intense syllabi, new courses, and elaborate examination system.

Any process that involves introspection and journey to 'what was?' must have an agenda for 'what next?'. The plans for 2022 -23 are IQAC's steps towards quality promotion and sustenance.

We are not content to rest on these accomplishments, IQAC continues in its steadfast commitment to student success and an improved student experience, and we are confident there are even greater heights that we have yet to reach.

The theme for the year 22 -23 is **Resurgence** and we are optimistic to surge ahead and emerge successful.

Internal Quality Assurance System

IQAC at St. Ann's is a significant administrative body that is responsible for all quality matters. Primarily it initiates, plans and coordinates various activities that are necessary to increase the quality of the education imparted in an institution. Facilitating the creation of a learner-centric environment conducive for quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process, IQAC arranges for feedback, works towards the development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality and dissemination of information on the various quality parameters of higher education.

Internal Quality Assurance Cell acts as a channel to implement innovative changes to meet the vision of academic excellence and stimulate the academic environment for promotion of quality of teaching-learning and research. It -

- Coordinates periodic meetings with all departments & committees
- Academic Audits - Internal and external
- Promotes research by facilitating financial assistance to faculty
- Coordinates activities of Centers of Excellence
- Organizes faculty development programs and seminars/workshops to enhance quality
- Feedback collection and analysis for improvement

Following is a glimpse of IQAC @ St Ann's

1. IQAC organised Induction program for freshers and Orientation Programs for 1st, 2nd and 3rd year students.
2. Specific Orientation Sessions were organized for Career Oriented Courses, Skill Oriented Courses, CCA and IDC
3. Faculty immersion program for new faculty was organised.
4. Coordinated/facilitated meetings of Deans, staff – teaching and admin , Various academic and administrative committees, Centres, Exam cell, and Planning and Evaluation committee, BOS, Finance Committee, Academic Council and Governing body meetings.
5. The Coordinator co – chaired all departmental/Committee meetings.
6. AQAR of 2020- 21 was submitted on time.

The academic autonomy granted to college in the year 2015 has enabled us to establish an academic system that best implements the vision and mission statements. Quality being the vital parameter, emphasizes the need based approach to meet the dynamic challenges of the students. All UG & PG programs follow a Choice Based Credit System and Credit based Semester System.

Institution provides additional skills required for corporate world - Skill Oriented Courses (SOC) & Co-Curricular Activities (CCA) offered for First year students, Career Oriented Courses (COC) are offered for Second year students and Interdisciplinary Courses (IDC) for Third year students. The design and the curriculum of choice based credit courses improves students learning which centers around subject centered design, problem centered design.

Course structure - Choice Based Credit System & SemesterSystem

The CBCS an educational model offers students to opt for courses and subjects of their choice - Core, Elective courses and Skill based courses. Unlike the traditional marking based system the CBCS grading pattern is based on earned credit every semester.

Credit Based Semester System, a flexible system of curriculum design- Describing a particular program attaching credits to its components where it is the grade point and number of credits to be completed by the students for their required courses and subjects.

- Ms. M. Meghana Reddy B.A. PLP 1st year won silver medal in Junior International badminton tournament which was held at Uganda from 28th to 2nd March 2022.
- Ms. Bhavani Kedia . B.A HPP-II nd year, got selected in the Indian tennis team at 24th Deaflympics to be held in Caxias dosul, Brazil from 1st to 15th May 2022 and she is the first player from Telangana state .

Governance, Leadership & Management

Leadership ensures to create an environment that fosters development of an institution. It helps in laying down a specific direction for an organization to articulate vision, devise plans, and facilitate decision making process. The management works towards providing an environment conducive to learning, teaching, academic inquiry and innovation, maintaining academic excellence and professionalism, ensuring adequate facilities for existing programs and strategizing for growth and expansion. The Institution believes in promoting a culture of delegation of powers through strategic policies to identify the organizational needs and strives to fulfil them.

For an effective governance every institution needs a comprehensive, clear and integrated planning system, which enunciates objectives to be pursued and plans of action to be adopted and a clear organizational structure that unambiguously defines lines of authority and accountability. To co-ordinate the academic and administrative planning and implementation

Innovations and Best Practices

Environmental Practices

Environment consciousness which can empower the organization to frame a better environmental performance includes energy conservation, use of renewable sources, rainwater harvesting, and efforts of carbon neutrality, plantation, hazardous waste management and e-waste management. Departments put special effort to insist the environmental awareness among the students. Departments, Committee and Clubs make all the efforts to provide every student with opportunities to acquire the knowledge, values, attitudes, commitment, and skills needed to protect and improve the environment; to create new patterns of the environment for its present and future generations.

The following exercises were embraced to reduce our ecological footprints.

St. Ann's College for Women

Quality Connect

- Departments are working with ICT centre to spread environment consciousness and awareness regarding dangers of e-waste and participating in their e-waste management program by collecting electronic waste.
- Conserve energy by switching off all lights, fans and other electric/electronic equipment when not in use is monitored by a watch team.
- Hazardous wastes are disposed of separately by following the bio safety rules.
- E-waste generated is deposited in the ICT.
- Plantation of saplings was done as a part of activity under Eco Club.
- Tree plantation program under the banner of “Haritha Haram” by Botany Dept.
