Venue: 1st Quadrangle Stage.

Time: 12.00 P.M

Organisers:

K.S. Sriya (SQAC- President)

Ragging is the term used for the so-called "initiation ritual" practised in higher education institutions. Ragging is a subset of bullying. Unlike various complex forms of bullying, ragging is easily recognisable. To avoid this, we have initiated an Anti-Ragging skit.

As the freshers have joined the college, it is important for them to feel safe on campus. To ensure this safeness SQAC Team organised a flash mob followed by the Anti Ragging skit. The main Aim of the skit was to raise awareness about raging and its consequences to the students and how seniors should behave with juniors by welcoming them with joy and friendliness.

A skit representing the college's strict Anti-Ragging policy was performed by first, second and third year SQAC students. It was held on 10th March 2021. The skit was directed by Nadia Baig (B. Com IFA). The skit helped the students to have a greater and better understanding about the strict anti-ragging policy in the college. The skit was performed in such a way that they showed the first years being ragged by the second-year students and finally the final year students came to the rescue of the new comers and defended them by stressing on the strict anti-ragging policy of the college and explained to them the unethical nature of ragging which is highly deplorable. The skit was highly appreciated and applauded by the students and lecturers as well.
