## Career Counseling and Guidance for competitive exams (2020-21)

Career counseling plays a vital role in helping students make the right choices.

Right in the first year of college life, students are given an orientation on the vast spectrum of career choices that they can make. Students are informed of the various competitive exams they are eligible for.

The important dates are announced by the faculty not only in the classroom but also on whatsapp, facebook etc. Brochures of admissions to top colleges are displayed on the departmental notice board. The students are also guided to make the right job choices. Many students are working in top organizations.

The department organized a webinar on Career Counseling “Career Opportunities in Physics & Electronics” on 16th June and 22nd June 2021 for B.Sc III Year Physics & Electronics students. Prof. Dr. Mandaar Pandey, from Symbiosis Institute of Information Technology and Dr. Blessy Elizabeth were the Resource person.

## Department of Statistics

### Guidance for Competitive Examinations & Career Counseling

The Head of the department periodically give talks to the students of I,II & Final year students on various higher education programs the students can pursue and the respective competitive examinations. The details of various institutes or universities offering the related programs were provided to the students, Faculty, in turn will be in constant touch with the students and guide them with all the details and provide them with the required materials for preparing for the competitive examinations. This ensures that the students are fully aware of the various academic programs available, set an objective for them and start preparing for the competitive examinations

Apart from this, the faculty of the department also throws light on job & career prospects after completing the under graduate program, guide them to prepare for technical interviews.

To reinforce the above, the department organized an orientation session by inviting an expert from industry and illustrious alumni of the department, who pursued PG programs from different places & working or pursuing research. The speakers shared their experience and gave tips to crack the competitive examinations. Also, they shared the importance and relevance of the subject in research and industry.

## Career Counselling Cell- 2020-2021

Career counseling cell has emerged as developing tool in shaping the careers of our upcoming batches in the present scenario of pandemic by conducting virtual meetings for the academic year 2020-21. The webinars were motivational by imparting knowledge related to the trending opportunities.

Depending upon the versatility of interest of the students for overseas education or requirement of a job in future webinars were planned in different domains such as banking, Aviation, MNC's, NIIT etc.

Top most companies such as IBS-ICFAI, K3 consultants, Azent Overseas Education, Genpact, Woxsen school of Business, Unixperts, HireMee Gold, AIMFILL-Aviation, IB-HUBS, NIIT-Digital has virtually interacted with the students. The sessions had a livestreaming on Youtube along with Zoom or Google meet or Cisco Webex App.

Most of the webinars from different companies such as Azent Overseas Education, Unixperts had paved the route for the career development in the countries such as USA, London, Australia, Canada so on and so far.

We have organized 10 seminars during the academic year 2020-21 for the graduates and undergraduates of Science, Commerce, Business management and Arts.

The outcome of the webinars was :

- To follow the passion
- Curiosity in finding the ideal job

## Department of Chemistry – Activities

### Chem Careers 2020 - A REPORT

With the goal of helping students to get an insight into opportunities and build a successful career pathway in the field of Chemistry, providing expert advice on writing a resume, career mapping and interview techniques, **Chem Careers 2020 - a virtual webinar** event was organised by Department of Chemistry, St Ann's College for Women, Hyderabad in collaboration with RSC - LSD on 7th December 2020. The event garnered 250 participants joining virtually pan India.

Senior Faculty member of the department Mrs C Vijaya Valli was the master of the ceremony and welcomed the dignitaries and the participants.

An Introduction to the event was given by Mr. Rajesh Parishwad, India Representative, Royal Society of Chemistry.

Dr. Radhika K.R., Secretary, RSC Local Section Deccan, Former HOD of Dept of Chemistry, St Ann's College for Women gave the welcome address.

Dr Smita Asthana, Dean of Academics, St Ann's College for Women spoke about the college and the department.

Ms Nazia Fathima, faculty, Dept of chemistry introduced the first speaker Dr. Nitin Shukla

The first session was flagged off with a talk by Dr. Nitin Shukla, Principal Scientist, CSIR – National Chemical Laboratory, on "Careers in Intellectual Property". The session was an eye opener wrt career opportunities in IP field for chemistry students.

Ms Ramya V, faculty, Dept of chemistry introduced the speaker of second session- Mr. Shyam Suryanarayanan

Mr. Shyam Suryanarayanan Co-founder of Scital, addressed the gathering about "Career Prep". His talk enlightened the students about plethora of opportunities available for students and also brilliantly answered students concern- how to s like career motivation, writing resume and attending an interview.

Dr. Radhika K.R, introduced the speaker of third session- Ms. Natalie Warren Godkin.

Ms. Natalie Warren Godkin, Royal Society of Chemistry London spoke on "Start your adventure in the chemical sciences with the RSC" gave a sneak peek into all the opportunities and benefits students get on joining RSC.

The concluding remarks was given by Dr.RBN.Prasad, Chairman, Local Section Deccan.

Though the ongoing pandemic raised questions on the smooth conduction of the most awaited annual event CHEM CAREERS 2020, with Cooperation and collaboration we were able to give a winning streak to the event by organising it virtually and was well received by the students.

## M. Sc. CHEMISTRY ENTRANCE EXAM COACHING – 2020

Two faculty members of Department of Chemistry – Mrs Ramya V and Mrs K Vasavi initiated entrance exam online coaching for III Year BSc Life science students aspiring to join PG-Chemistry, during the month of May and June 2020.

### Objectives

- To ensure continuity in learning and help students to develop skills of problem solving and reasoning required competitive exams.
- To utilize stay at home lockdown situation constructively.
- To provide free online coaching in the confines of home for PG Chemistry aspirants.

### Methodology

- Problem solving approach through google meet platform.
- Dedicated Whatsapp group for information dissemination, discussion and study material sharing.
- Use of ICT

### Outcome

15 students from various life science streams showed interest to join following which a whatsapp group was created for communication.

The classes were scheduled every week day 4-5pm in the evening. Important topics and questions of examination importance were discussed. Question papers from different universities were circulated and students were encouraged to solve.

- This coaching enabled students to develop skill of critical thinking, reasoning, and problem solving.
- Enhanced use of ICT
- Chemistry Concepts taught also helped in better understanding of allied subjects
- Created enthusiasm in students towards pursuing higher studies in Chemistry.

## Evidence of Success:

We were pleased to know the outcome that two students from the group cleared

Osmania University Chemistry PG Entrance Exam with high ranking (within 100)

**Ms. Akshata Chowdary (III BBC)** - 8 th Rank and has secured a seat in OU campus for MSc Organic Chemistry

**Ms Prasanna** - 99 th Rank and secured a seat in OU Science College Saifabad for MSc Organic Chemistry.

## TEA TALKS TUESDAY REPORT

The Department of nutrition at St. Ann's College for Women arranged a one-hour career counseling session to inform them of the many opportunities and trends in the field of nutrition following graduation. The session was hosted live on face book and was open for all the students pursuing Nutrition. Dr Meena ma'am, the department's head of nutrition, served as the session's resource person and provided a quick introduction to the many opportunities and breadth in the nutrition sector. She offered some suggestions for choosing a career based on one's strengths and potential. She discussed how to concentrate on a chosen vocation and what steps need to be taken to make a goal come true.

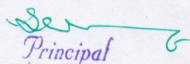

She demonstrated how seniors acquired status despite lacking resources and assistance by using instances of senior pupils.

The students' queries on the difficulties they frequently encounter when choosing a career helped to dispel their doubts.

The students were also informed of the different career opportunities in nutrition offered by Dr. Meena ma'am, including applied nutrition, sports nutrition, clinical nutrition, etc. In addition to hard study, time management, and a concentration on the chosen path, she encouraged the students to be assertive and communicative in life.

All of the students had a strong sense of motivation and learned about many opportunities available to them after graduating.

Overall, the session was very informative and the students were very happy to listen to her. The session was concluded with the vote of thanks by the organizer of the event

Mr. Daniel Raj, Honorable secretary of the foundation, has addressed students on "Changes that we should bring in our life to live a meaningful life".

He advised Students to think out of the box of our daily routine to make our life successful. He emphasized on developing positive thinking in these COVID pandemic situations. He mentioned people's state due to losing jobs, losing their hope and becoming depressed because of financial and social problems around the globe. He advised saying that during these hard times, positive thinking and empowering skills only will help us to achieve success in life. He concluded his speech to raise the education and skills to establish a good social and economically grown up society.

He briefed us about the various programs such as free online skill development programs, food distribution campaigns, faculty engagement programs, mental health and happiness systems and clothes donation drive through which the foundation has aided many people by providing social and monetary help. The webinar came to an end with students giving their feedback and understanding the importance of living a meaningful life.

## Daniel Raj

### Corporate Trainer - Success Coach - Motivational Speaker

Mr. Raj brings with him over 23 years of industry experience in Learning & Development (L&D). His core expertise is in Human Transformation - Life Skills, He has conducted various trainings, seminars & workshops all over India on **Personal Branding, Leadership, Business English, Employability and Self-Development.**

Having met many *professional students, employees and leaders* all over the world, he always wanted to do something to reduce the '**Skill-Gap and Skill-Shortage**' in India. We all know that India is rich in human resource and talent, but the question is; how much of it is actually channelized, trained and competent enough to grow or to become - human assets to build our nation?

He observed that '**Talent vs Skill vs Career vs Success**' proposition is most of the times unequal and imbalanced. **He has various easy to learn and use techniques to bridge the gap, as per the industry's expectation.**

He is an interesting Linguistic Coach, Leaders' Trainer & Mentor, Motivational Speaker and a Great Inspiration to many. He is a Captivating Speaker who inspires people in the path of Growth, Conduct and Success.

He is involved in executing various modules on L&D related trainings all over the country. He has mentored more than 500,000 professional students, entrepreneurs, leaders, employees, etc...

He trained professionals in Organizations such as; **HSBC-HDPI, VIMTA LABS, IBM, GE, INFOSYS, CAPGEMINI, SEAL INFOTECH, CYIENT, MAX Life, Etc...** and many **Engineering Group Colleges & B-Schools**
