ABOUT SDP
 Technology provides many opportunities to do things better, but it also changes the business context in which it operates. Digital transformation in the areas of finance and accounts is fundamentally a change for which the business world is waiting for. Adoption of technologies such as Artificial Intelligence, Block chain, Cyber security, Digital Banking and Robotic Automation process in finance and accounts demands a major change among the people and process at almost all levels. Blockchain promises to solve this problem. "FINTECH" the buzz word around innovation in technology is a novel business model in emerging markets. The Block chain market is expected to reach USD 39.7 billion by 2025, at a growth rate of 67.3%, indicating the increased adoption of blockchain applications.

SDP OUTCOME:

- To gain insights into digitalization of technology in financial services.
- It creates awareness among student fraternity against cyber attacks through block chain technology.
- It helps students in upskilling knowledge towards block chain, fintech technologies and a road map for their career progression in emerging technologies.

CONCEPT NOTE
The major objective of this FDP titled Communication Skills is to address the growing scope in different fields. Faculty members and research scholars of universities face syllabi and technical challenges owing to the vastly different styles of communication. It varies from academics to the professional sphere to social media. The UGC has introduced a skill based module on Communications from 2022 onwards. It has given teachers the flexibility to source material within the framework and guidelines provided by them. It has also given faculty of autonomous colleges the freedom to create a skill based module for optional subjects. In this context, Literature needs to impart skills as well. The Department offers 'Visual Communication' as a Department specific Skill Enhancement Course (DSEC). Given these challenges in syllabus Development and dissemination of skills this FDP draws experts from arenas of Corporate, Media and Academics to give a comprehensive look at the dynamics of communication.

The bottom line being to understand and apply skills for:
• Purpose driven communications
• Trends in corporate communications
• Social Media and language
• Content Creation
• Code switching and Code mixing

ABOUT ST. ANN'S
The College, made a beginning in 1953, with just two programs, two rooms and 106 students. Today it is a premier educational institution with excellent infrastructure and three thousand five hundred and seventy students at the UG and PG level with thirty program options, Machine Learning, Data Science and Cyber Security for UG and PG courses. It subscribes to a blend of judicious conservative and modern trends, envisioning the empowerment of a girl student through academic excellence, skill enhancement and value enrichment. The concerted efforts towards quality goals culminated in the award of an 'A' grade both times. Further recognition as a "College with Potential for Excellence" by UGC followed twice in the years 2010 and 2014. Subsequently in 2015, it was granted the Autonomous Status.

The Department has its lines of communication open to every stream of learning in the college. Language and soft skills open doors of opportunity to the student community. Literature students are focused on the aesthetics of the language. Open to all who enjoy writing is the course on Creative Writing. Visual Communication is on offer, exclusively for literature students honing creativity with technology. This makes us adept at juggling roles as teachers-mentors-learners. We take on challenges the new digital culture poses by way of communications and creativity.

ABOUT ST. PIOUS X
The College was established in 1933 by the congregation of catechist Sisters of St. Ann (CSA), St. Pious X Degree and PG College for Women Hyderabad, India, with the vision of empowering women through value-based education. The College is proud to have been re-accredited by NAAC with 'A+' grade in 2018, with a CGPA score of 3.38 and is Designated as a Mentor Institution in Telangana under UGC-Paramarsh scheme. It is affiliated to Osmania University and has carved a niche in Higher Education. With a student strength of about 3000 in both UG and PG, it has been transforming the lives of thousands of women for the past 28 years.

The Department of English aims at global competency through quality education. It strives to strengthen aesthetic sense through language and literary art, sustain human values and achieve excellence. The Department offers courses in English Language and Literature, Skill Enhancement, Employability Enhancement and Foreign Languages taught by highly qualified and expert Faculty from Literature, Linguistics, ELT and others. A well-equipped Language and Communication Lab to enhance LSRW skills, Departmental Library, Literary Club, Teachers' workshops, Career Empowerment Programs, Theatre Workshops, Seminars and Conferences, Research and Publication help its faculty and students develop their knowledge, research outlook and professional skills. The Department constantly focuses on improvement through innovative ideas to overcome the challenges and the changing needs of the society.

St. Ann's is an institution oriented towards the cause of value-based education, aiming at optimum growth. Ever since its inception, the college has had the distinction of excelling in academics, research, and extracurricular activities. It has, within a short period, acquired a reputation as being one of the best colleges in the state of Telangana. The college evinces empowerment of the girl student through academic excellence, skill enhancement and value enrichment.</p> <p>At present, the college has the strength of over 3000 students and well-qualified staff members belonging to 20 different departments. The college has been re-accredited with 'A' Grade by NAAC 3rd cycle in the year 2018 and has been declared as a 'College with Potential for Excellence' (CPE) by the U.G.C. It has been approved for 'DIF' Star college scheme from the academic year 2020-21. The college has also established an Institution Innovation Council (IIC) in 2018 and has received 3.5 star rating for the year 2020-22.</p> <p align="center">About Patna Women's College</p> <p>Patna Women's College, the first college for women in Bihar was established in 1940. The college trains the students in the academic field and provides ample opportunities for them to learn creative arts, social service, environmental awareness, leadership quality and value-based personality development. Patna Women's College has completed three cycles of accreditation by National Assessment and Accreditation Council (NAAC) with an 'A' grade with a Cumulative Grade Point Average (CGPA) of 3.58 out of 4 and has been rated by NAAC as one of the highest performing institutions in India. The college also has 'College with Potential for Excellence (CPE)' status accorded by UGC.</p> <p>In January 2018 Patna Women's College was conferred Autonomous status by UGC. The College has also been accorded the status of Star College by DIF, Govt. of India. The College has achieved 2nd rank in Arts and 3rd rank in Science in the Eastern Zone in the India Today MDRA Best College of India Survey, 2022. The College provides holistic education through UGC approved 26 undergraduate degree programmes in all the major streams of Humanities, Education and Science, 10 Post Graduate degree programmes and 4 Post Graduate Diploma programmes.</p>	<p align="center">DAY 1</p> <p align="center">Tech Writing using LaTeX</p> <p>You can learn technical writing using LaTeX.
