Report on International Yoga Day

International Yoga Day is celebrated annually on June 21. It is a day dedicated to raising awareness about the numerous benefits of practicing yoga and promoting its holistic approach to health and well-being. **Yoga** is an ancient practice that originated in India and has gained worldwide popularity for its physical, mental and spiritual benefits,

OBJECTIVES

ST. ANN'S COLLEGE FOR WOMEN

(Autonomous)

Affiliated to Osmania University

Accredited A+ Grade by NAAC (3rd Cycle), College with Potential for Excellence by UGC

ISO 9001 : 2015 ISO 14001 : 2015

Santoshnagar colony, Mehdiapatnam, Hyderabad - 500 028.

The main objective behind this observation is to make this ancient practice popular among the present generation of people who are unaware of its benefits. Adopting this practice is believed to provide significant relief from physical ailments and mental tension

- International Yoga Day aims to develop the habit of meditation among youngsters so that they can enjoy more peace of mind and self-awareness, which is essential for a stress-free existence.
- Yoga helps to keep the internal organs in the body to function properly by increasing the oxygen and blood flow. Proper oxygen and blood supply to all the vital organs helps to diminish the occurrence of major diseases related to the heart, lungs, kidneys and other vital organs.
- World Yoga Day aims to educate people about the various means of overcoming stress naturally without resorting to any artificial medicine.
- Yoga practitioners believe that when a person connects with Mother Nature with both his mind and soul, he achieves a greater level of consciousness which helps him to be at peace with his surroundings. This level of consciousness would invariably lead to world peace as more and more people starts practicing Yoga.
- Practicing yoga would lead to stronger bonds between people from different background, irrespective of caste, religion or language barriers. It would help to promote the feeling of communal harmony and create a conjugal atmosphere for global peace.
- International Yoga Day aims to make the practice of yoga popular among people in different parts of the world, so that people are able to have a correct opinion about this form of well-being, which is not only easy to practice but is also extremely effective on a long term basis.

Importance of International Yoga Day

Yoga Day is important to make people aware of the benefits of Yoga. Yoga has medical benefits and it helps in curing many diseases like diabetes, blood pressure, alleviating physical injuries, and chronic pain. It helps us to live a healthy lifestyle. Apart from that, it helps a person to get mental peace, get relief from everyday stress, and help spread the message of love, peace, and oneness amongst the people of the world.

our path of self-development.

INSTAGRAM: @st_anns_healthdept

REGISTRATION LINK:

PARTICIPANTS WILL RECEIVE PARTICIPATION CERTIFICATES.
 WINNERS WILL RECEIVE MERIT CERTIFICATES AND THEIR
 POSTERS WILL BE PRESENTED IN THE COLLEGE MAGAZINE.

INSTRUCTIONS

POSTER SIZE AND ORIENTATION

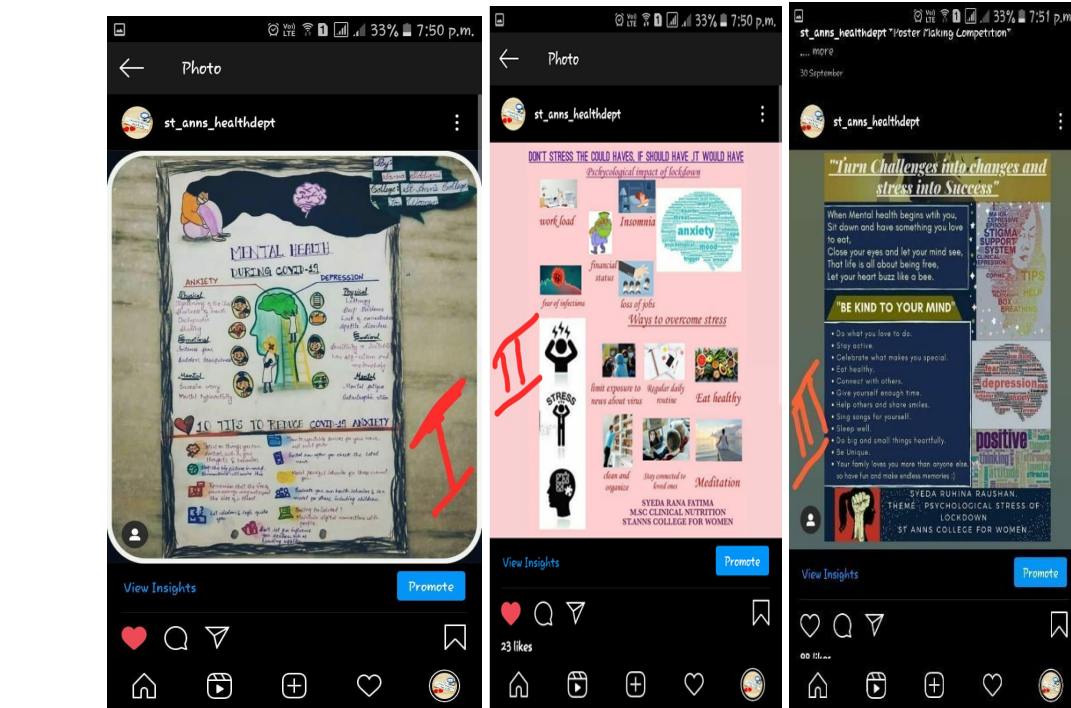

- All posters will be set in portrait style orientation and all information (i.e. text, data, photos, and figures) must be designed to appear within one window/SLIDE.
- If you design your E-Poster in PowerPoint (PPT), ALL information must be appeared within ONE (1) slide only. For Page Setting and choose Slide Size: "Custom (Width 20 cm, Height 30 cm)" with a Portrait (vertical) ORIENTATION.
- Save your PPT into PDF format.

ESSENTIAL INFORMATION TO INCLUDE ON E-POSTER

- Limit the text to about one-fourth of the poster space, and use "visuals" (graphics, photographs, schematics, maps, etc.) to tell your "story."
- Poster should be written ONLY in English language.
- Poster Number (on the top left corner)
- Title of the E-Poster should be brief.
- The title and sub-headings should be written in bold. Studies should be avoided as it would be harder to read from a distance.
- Please be considerate when using colors for the presentation. Keep only 2-3 colors and select background colors that contrast well with the font to allow readers reading of your text. Avoid background with bright or dark color and fall of texture as this will distract readers.

NOTE:
 SUBMIT YOUR POSTER IN A PDF FORMAT ONLY.

This course is offered by Department of Nutrition, St. Ann's College for Women and has been developed to provide Second year Undergraduate students of different streams with knowledge and skills necessary to produce quality baked goods. This is a course designed to teach basic baking skills.

COURSE OUTLINE:

This course is a study of the fundamentals of baking including, dough, quick breads, pies, cakes, cookies and basic items made in a bakery. Topics include baking terminology, tool and equipment use, functions of ingredients, and the use of proper flours.

COURSE OBJECTIVES:

Upon successful completion of the course, the student will be able to:

Knowledge Based:

- Identify and explain baking terms, ingredients, equipment and tools.
- Employ safe food handling practices using contemporary guidelines

Skill Based:

- Scale and measure ingredients.
- Prepare yeast dough, quick breads, pies, cookies, cakes, icing and savory baking.

Course Learning Outcomes:

- Describe properties and functions of the basic ingredients used in baked goods.
- Weigh and measure ingredients used in baking.
- Scale, mix, mold, proof and bake yeast raised goods.
- Prepare cookies using various common dividing techniques.
- Demonstrate proper storage techniques for all baked products.

DETAILS OF RESOURCE PERSON & COURSE CO ORDINATOR

RESOURCE PERSON - Mrs Shahnaaz is a baking tutor with 20 years of experience offering cooking and Baking lessons to students of various colleges viz, St. Ann's college for Women, Mehdiapatnam, MS College. She also works as a home tutor offering Baking classes to housewives medical students and interested people of various fields.

COURSE CO ORDINATOR (RESOURCE PERSON Internal)

Mrs. Y.V. Phani Kumari is a Faculty of Department of Nutrition. She has a Masters degree in Nutrition & Dietetics, Osmania University, Hyderabad and is currently a part time Research Scholar at Osmania University. She has Teaching experience of 12 years and Industry experience of 3 years as a Dietician in reputed hospitals.

COC Baking techniques is a two semester course for IYr students which is designed to enable the students learn the basic techniques and science involved in baking and also about the various bakery products preparations.

This course was started by the Department of Nutrition for students of IIIrd & IV semester in the year 2016-17. In the current year 2020-2021, 42 students from various streams have enrolled in this course. Due to the Pandemic of COVID19, the course was taken for one semester. A total of 16 classes were conducted in the IVth semester, out of which 6 theory and 10 practical sessions were held. The classes were held Online using a Google meet on Tuesdays from 3.00pm to 4.30pm

During the course the students gained the basic knowledge of baking. They also learnt about the importance & usage of all baking ingredients.

The course also dealt with the practical demonstration of many bakery products such as various types of cakes, biscuits, doughnuts, pizza etc and the students were taught about the various equipments used in baking, baking problems & solutions & also about the types of icings used in baking.

The practical classes were taken by Mrs Shahnaaz Saleha, who was the course resource person she holds nearly 20 years of experience in the field of baking. Apart from showing the preparation of various baking recipes, she also demonstrated various techniques involved in baking.

At the end of the course, assesment of all students was done by the course coordinator i.e Mrs Y.V.Phani Kumari . For the assessment each student prepared one recipe learnt by them during the course. As the assessment was done Online, the students prepared a 2 min video of a recipe and uploaded in a mail bakingtechniquescoc2021@gmail.com shared by the co-ordinator. Marks were allotted , based on the attendance, record & preparation of any bakery product.

The students responded very well to the Online COC course as they gained the experience of various baking techniques and also got to know about the various bakery products.

Report by the coordinator

A career oriented course **culinary Techniques** was started by the Department of Nutrition for students of IIIrd & IVth semester in the year 2016-17. In the current year 2021-22, 32 students from various streams have enrolled in this course. A total of 21 classes were conducted in the IIIrd & IVth semester in the blended mode, out of which 9 theory and 11 practical sessions were held.

During this semester the students got trained and received academic instruction on how to apply the knowledge and skills necessary for entering the catering Industry at a level allowing for continuing education and/or life-sustained employment.

As a result of instruction, students were able to know, comprehend and apply theoretical knowledge into practice. Apart from learning various methods of cooking and preparation of dishes from different cuisines, students have also learnt appropriate safety procedures and precautions necessary to successfully participate in cooking at home and in the catering industry.

During this course the students have learnt skills to practice time management and gain knowledge regarding costs of commodities in the market. They also learnt various cooking techniques and terminology used in cooking.

Students had a wonderful chef and guide in Ms. Varsha, Mrs Lakshmi and Ms Jessie of Nestle India Pvt Ltd, who were our resource persons from the industry. They all hold vast experience in the FMCG industry. Apart from demonstrating recipes they also impart education on appropriate food safety/sanitation procedures & precautions useful in a kitchen setting. She has also imparted knowledge on table setting, etiquettes and handling of kitchen equipment and technology necessary to participate in culinary skills.

The final Assessment of this course was conducted on 27th April 2022 by Mrs Francina Faculty from MBA Department of our college along with Dr Meena Kumari, Dean Admin and HoD Nutrition Department and Ms Nasreen Begum Course coordinator were invited as judges for final assessment. The students performed exceptionally well and their efforts were appreciated by Nestle India Pvt Ltd and all the students were given gifts and complementary hampers besides judging 3 best recipes which were awarded with gift hamper.

Feedback from Students & resource person

A feedback was taken from the resource persons and the students, the detailed analysis of the feedback stated that nearly 97% of the students felt that this course was beneficial to them and they would love to take up entrepreneurship if given a chance.. During this course the

students gained knowledge in the practice of food preparation skills and nutritional importance of various foods and how good and healthy food preparation impacts one's health positively. This course is well accepted and appreciated by the students.

The resource person for this yr Ms Varsha, Lakshmi and Jessie from Nestle India Pvt Ltd gave a very positive feedback about the course and agreed that it met the course objectives. They were fascinated by the enthusiasm of the students and their willingness to learn culinary techniques. They say that they would like to involve more students in preparation of recipes so that students can gain hands-on experience als encourage students to take up entrepreneurship.

Details of the course

The fitness course is a part of the COC Nutrition & Fitness course offered to undergraduate students at St Ann's College, Mehdiapatnam, Hyderabad.

The objectives of the course are to teach the following topics to students:

- Fitness standards and guidelines - Cardiorespiratory training, muscular strength and endurance and flexibility
- Yogasanas and disease prevention/management
- Aerobics - basic choreography, teaching techniques and music selection
- Anatomy and exercises for different muscle groups

Based on a theoretical as well as practical training of the above aspects, the outcome of the course would be that students are capable of:

- Understanding anatomy and the way the body responds to exercise
- Understanding how different muscles work and what exercises to use for conditioning them
- Perform aerobics, cardio, conditioning and flexibility exercises on their own
- Training themselves and others to a certain extent using the three principles of fitness training

Report of Activities

Herbal Medicine and Beauty Care course for the year 2020-21 started on 16.02.2021 with an orientation program.

The orientation program included

The Course Content for the year 2020-21

Number of Credits:4

Evaluation pattern –

- Marks allotted for Internals Theory Examination (15M)
- Marks allotted for Course End Theory Examination (20M)
- Marks allotted for Course End Practical Examination (50M)
- Marks allotted for Course Project Work (05M)
- Marks allotted for Course Practical Record (05M)
- Marks allotted for Viva Voce (05M)

Introduction of Course resource person- **Mrs. Annie Rajith**

Introduction of the collaborating organization-**SETWIN**

Number of Classes per week: **One (Tuesday)**

Objectives of the Course

- To promote use of herbal products as alternative therapy and for personal grooming.
- To build skill for identifying, understanding and administering medicinal herbs.
- To enhance the technical skills and the employment potential of students for better placement.
- To promote Beauty Care as a viable vocation/career option to students with aptitude.
- To learn the active principle of plant identification, action indication and presentations of these herbs for beauty care.

Why Beauty Care

- Self-esteem
- Confidence
- Professional Growth
- Success
- Credibility

Why Herbal Beauty Care

- Natural Products
- Cost Economy
- Ever Available
- Minimal side effects

Skill Taught During the Course

- Herbal preparations and home remedies
- Skin , hair care and hair styling techniques
- Dietetics ,nutrition and Image management
- Personal grooming and Professional ethics
- Development of Entrepreneurial skill

Employment Career opportunities

- Self-employment by opening beauty clinics
- To work as a faculty in vocation college
- Join sectors such as airlines, show business etc.
- Beauty Therapist /Hair Stylist/ Make-up Artist
- Develop Entrepreneurial skill

Student Benefit

- The course is conducted in collaboration with SETWIN, Govt.Telangana.
- An U.G.C approved certificate, under the aegis of Osmania University.

Commencement of Classes and Conduction of Examination

In view of Covid-19 pandemic situation the commencement of the classes was a little late. The classes for Herbal Medicine and Beauty Care Commenced from 16.2.2021 on online mode. The syllabus was covered unit wise both theory and practical simultaneously. As the classes were on online mode students could perform virtual practical of all the procedures included in the syllabus. First internal was conducted on 27.04.2021 and second theory internal was conducted on 06.05.2021. All the topics mentioned in the syllabus were covered as per schedule. Individual projects were allotted in the month of March 2021, that should be submitted during final practical examination. Course end theory exam was conducted on 25.06.2021, however offline practical exam was not conducted due prevailing pandemic situation. Question papers for theory and practical were set by the external examiner deputed by SETWIN and evaluation of the answer scripts were also done by the examiner allotted by SETWIN. Results will be announced along with semester core subjects.

Certificate Allotment

All the students who successfully completed the course will be awarded with a certificate that is endorsed by Principal St. Ann's College and Managing Director SETWIN.

3 Day Workshop On Biofuels, Biofertilisers & Bioprocess Technologies

Date : 6th - 8th August, 2020

Venue : Online.

Target group: Student of all life sciences

No of Student: 75

Flyer

Objective :

The main objective of this workshop is to make students learn concepts of industrial Biotechnology.

Summary :

Students pursuing graduation and Post graduate students of Lifesciences around 75 of them participated in the event. The workshop was co hosted by Departments of Biochemistry, Genetics, Microbiology and Biotechnology of St. Ann's College For Women in collaboration with Biotechnology Unit Of Atal Incubation Centre ALEAP WE HUB and supported by AIM NITI AAYOG, GOI for enthusiastic Start-ups. Biotechnology Unit of Atal Incubation Centre, ALEAP WE HUB (Supported by AIM, NITI AAYOG, GOI) ALEAP Industrial Estate, Gajularamaram, Hyd organized 3 day Hands-on training webinar Workshop on Industrial Biotechnology from 6th August To 8th August 2020. The Faculty of the four Departments actively coordinated the 3 Day Event. Dr. N. Madhusudana Rao, CEO Atal Incubation Centre, CCMB, Hyd was the chief Guest on Day 1 and gave an Inaugural Talk on Importance & role of Life sciences in Startups. Followed by Dr. Zahurullah, Chief Innovation Officer, ALEAP WEHUB, who spoke on "STARTUP innovations in Biotechnology Manufacturing Sector". On Day 2, Mr. Sarath Babu spoke on Biofuels and opportunities for innovations in this area. Third Day Sessions were taken over by Mr. Murali Krishna and Mr. Sukumar from Triton Biosolutions, on the topic Biofertilizers and Introduction to Bioprocess Technologies. In this session a virtual tour of the centre and Virtual Hands on training on Bioprocess Technologies, Real time exposure of industrial machinery (500 litre

ST. ANN'S COLLEGE FOR WOMEN

(Autonomous)

Affiliated to Osmania University

Accredited A+ Grade by NAAC (3rd Cycle), College with Potential for Excellence by UGC

ISO 9001 : 2015 ISO 14001 : 2015

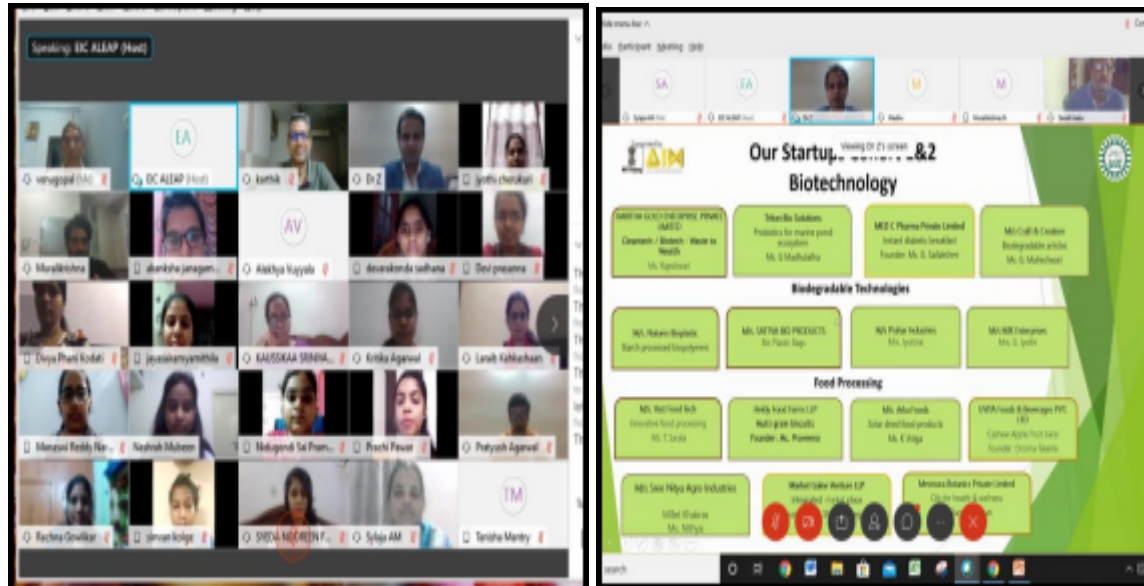

Santoshnagar colony, Mehdiapatnam, Hyderabad - 500 028.

Fermenter) was an add on. Topics Covered in the workshop: 1.Biofuels: - Introduction to Biofuels, Classification and Feedstocks for biofuels, Production technologies for biofuels. Downstream Processing, Environmental Management in Biofuel Industry, Latest research in Biofuels. Leach bed bioreactor for MSW conversion to biofuels. Market opportunities and current trends in Biofuels towards a circular economy. 2.Bio Fertilizers: - Introduction to Bio Fertilizers and Fermentation Process. Industrial Sterilisation Process and How to prepare Seed Culture with Bacillus Subtilis. Sterilisation of Fermenter and Techniques of Inoculation of Seed Culture for production of Bio fertilizers. 3.Introduction to Bioprocess Technologies 4.Hands-on Training on Bio Process Technologies 5.Start-up opportunities in Biotechnology sector 6.IPR in Biotechnology Interaction with industry experts, mentors and startup companies was an additional takeaway for the participants of the event. All participants received e-certificates.

Outcome:

Students have an insight of internship opportunity and evaluation of ideas or prototypes of faculties paving the way to become a startup.
